Your Astro-Forecast begins on the next page. If the time period for an interpretation is, for example, given as "July 1, 2000 (June 15, 2000 to July 15, 2000)", then it starts in mid-June, reaches greatest intensity around July 1, and ends in mid-July. The first date listed is the time when the influence has reached maximum strength; we can call this date the "peak date". The influence starts on the beginning date, gradually increases in strength until the peak date is reached, and then it gradually fades out until the ending date is reached. An influence may last for as little as a few days to as long as half a year or so.

You may also notice that the same interpretation shows up periodically during the year; this is not unusual. In some cases the beginning and ending dates of the 2 influences are the same; the only difference between the 2 interpretations is the peak date. This means that this particular influence has two peak dates instead of one. It is even possible for there to be three or more peak dates for the same astrological influence. To eliminate redundant interpretations, you may be informed that the astrological influence also occurred earlier and that you should refer back to the previous occurrence of this interpretation.

You may be wondering what the abbreviations after the dates are. For example, you may see "Sat Conj Plu", "Ura Trine Nep", etc. These abbreviations are given for the benefit of astrologers and they show the astrological factor that is in effect.

We hope you enjoy your Astro-Forecast. For the benefit of astrologers, some technical details are given below.

Plu Oppos Ura

Rebelliousness and independence are the key issues for this time period. You are impatient and rather reckless at times, and you make abrupt changes in your life. You feel as if you have been following the crowd too long, and you now seek a more spontaneous, responsive, and creative life style. You are also likely to become involved in some form of social activism. You are particularly rebellious against any form of social repression or abusive authority.

You are rebellious towards people in your personal life, as well as towards society in general. You are likely to feel that someone else is dominating your or manipulating your life. This is the time to become free from this restriction, so confront this problem now. However, try to be polite, respectful, and to communicate openly as well, as you tend to be explosive and inclined to make a sudden "change in policy" without any explanation. Others may rebel against you also. This is a time when there is an impetus towards greater freedom in relationships, regardless of the source or nature of the restrictions.

This is a period in your life when you should be breaking free from old habits, and becoming much more spontaneous and lively. You can discover new creative abilities and learn to improvise more. This is an excellent time to explore new creative outlets, particularly ones that require greater spontaneity or improvisation. A youthful spirit of freedom and spontaneity is trying to come forth now. However, be wary of a tendency to pursue some area just to be different. Like a youngster who tries smoking cigarettes just to be different and to rebel against his/her parents, you may pursue alternatives simply because they are expressions of being different and rebellious rather than because of their intrinsic worth.

Some people experience major unexpected, sudden changes in their lives during this astrological influence, even if they did not plan the changes or consciously initiate them. Be prepared for sudden shifts in your life (moves, job changes, etc.). They will not necessarily occur now, but the probability is higher than usual.

Jan 20, 2004 (Jan 19, 2004 to Feb 12, 2004)

Merc 4th H.

You are likely to be in a rather nostalgic frame of mind, remembering earlier days and thinking and speaking about past events. This is a good time for communicating with family members, perhaps re-establishing your connection or resolving a long standing problem between you. Speaking about very personal, private matters comes easier to you now. You may also find it worthwhile to record some of your musings, memories, and thoughts in a journal or diary.

Jan 21, 2004 (Jan 20, 2004 to Feb 13, 2004)

Ven 6th H.

At this time you have a cooperative and receptive attitude which promotes harmonious relationships with your co-workers, employers, and employees. You may be a peacemaker (or even a matchmaker!) at work. You may, however, not feel like working very intensively. A pleasant break from routine, even a short vacation, would be appropriate now.

Jan 28, 2004 (Jan 27, 2004 to Feb 27, 2004)

Sun 5th H.

You are energized and inspired creatively and emotionally at this time, and you want to bring forth all that is within you. You express yourself more freely, playfully, and spontaneously and are more willing to take chances. The dramatic and performing arts, sports and games, or other forms of self-expression and entertainment appeal strongly to you now.

Feb 4, 2004 8 AM(Feb 3, 2004 to Feb 5, 2004)

Merc Qucnx Sun

An incident involving miscommunications, missed messages, or missed meetings which causes a change of plans is likely. Co-workers, secretaries, receptionists, and other people you may normally take for granted, but who keep the flow of your life running smoothly, may be unaccountably inconsistent or simply keep you at bay. You may also get a bit of news that you will wish you hadn't. Try to take these minor annoyances and irritations in stride.

Feb 5, 2004 3 AM(Feb 4, 2004 to Feb 6, 2004)

Ven Qucnx Sun

Right now, you will be tempted to do something for pleasure which you ordinarily wouldn't enjoy or even be interested in. Influences from a lover or friend pull you in a direction that is a bit off the beaten track for you. If you goof off or choose to indulge yourself, there will be some form of pay back later. Beware of indulgences that compromise your values or integrity.

Feb 6, 2004 3 PM(Feb 5, 2004 to Feb 8, 2004)

Mars Sqr Sat

This is likely to be a time of considerable frustration and discouragement for you. You are unusually sensitive to criticism of your efforts and to the limitations and restraints that your responsibilities entail. Fighting with authority figures or lashing out at others who restrict you in any way is a strong possibility. A sense of struggle or of being overwhelmed by obstacles and blockages is likely to characterize this period. Be patient and don't demand too much of yourself at this time. Work quietly and steadily and rely only on your own resources.

Feb 8, 2004 (Feb 6, 2004 to Mar 26, 2004)

Mars 8th H.

Disputes over shared resources, joint finances, or anything which you hold in common with another are more likely now, and you are prone to impulsiveness and recklessness regarding such matters. Also, fights over money may only be symbolic of other, deeper conflicts between you and your mate or business partner, such as questions of personal power and control in the relationship.

Your desires and passions are stirred up now as well and this can be a time of a sexual and emotional renaissance in an intimate relationship.

Feb 8, 2004 10 AM(Feb 7, 2004 to Feb 9, 2004)

Merc Oppos Sat

You are likely to distance yourself from others now, feeling the need to withdraw and reflect. Your thoughts are inclined to be heavy, critical, and pessimistic at this time, so it would be good to realize that you are only seeing part of the picture and perhaps seek the advice of an older, experienced person who has passed through some of the challenges you face. This can also be a time of leaving, separating from friends, and choosing a new way.

Feb 9, 2004 2 PM(Feb 8, 2004 to Feb 10, 2004)

Sun Sqr Moon

Tension in your home life, conflicts between work demands and personal needs, or unresolved emotional tangles are likely to arise now, necessitating adjustments and compromises on your part.

A side of you which is usually hidden or in the background is likely to emerge now, and this may be positive or negative.

Feb 10, 2004 8 AM(Feb 9, 2004 to Feb 11, 2004)

Ven Trine Sat

This is an excellent time to make decisions about your financial affairs, as your judgment is sound and reliable, though a bit conservative. Investing in beautiful things which are likely to increase in value over time (such as jewelry or fine art) is favored. You are not interested in fleeting excitement or frivolity now. Spending "quality time" with an old and trusted friend or enjoying the company of an experienced, mature person who has much of substance to give you will make you happy.

Feb 10, 2004 10 AM(Feb 9, 2004 to Feb 11, 2004)

Sun Trine Ura

You have a low tolerance for boredom and following rules today and you make some creative changes and discoveries, experiment with new possibilities, or invent a new way of doing things.

You don't want to follow anybody else's lead at this time, but fortunately you are able find ways to be yourself and even be a little "crazy" without offending or upsetting others. This is a dynamic and exciting period. Take advantage of any unusual offers or opportunities.

Feb 10, 2004 (Jan 23, 2004 to Feb 28, 2004)

Ura Qucnx Sat

At this time you are apt to feel that the rug is being pulled out from under your feet, and a great deal of internal stress and tension is generated between choosing to stick with what you know versus striking out in a new direction. The trouble is, you don't have much choice or control in the matter, and yet you do not want to completely let go. The old order is inevitably disintegrating and the old vehicles no longer take you where you need to go. Avoid precipitous action if possible, or a radical solution to a long-standing problem. Instead, take calculated risks and create original alternatives which take the history of the current challenge into account. Bitter rebelliousness will get you nowhere!

Feb 10, 2004 3 PM(Feb 9, 2004 to Feb 11, 2004)

Merc Trine Asc

Communications are excellent now. You come across clearly and present yourself articulately. Public speaking, interviews, and other transactions with the public are favored. Conversations you have at this time go smoothly, and an agreement can be reached.

Feb 10, 2004 10 PM(Feb 10, 2004 to Feb 11, 2004)

Merc Qucnx MC

This is a time to take in information which can be of real practical assistance to you in reaching a significant long-range goal. Some news may reach you which will create some minor distress and compel you to re-examine or reassess a position you have taken regarding your career or work in the world. Don't try to force issues or come to any definite conclusions now and don't sign any contracts which require too much compromise on your part. Simply gather information and, if necessary, delay direct negotiations.

Feb 11, 2004 4 AM(Feb 10, 2004 to Feb 12, 2004)

Merc Trine Mars

This is a good time to assert your own needs and desires, to communicate to others what you really want. You are sharp, clear, decisive, and articulate. You can't stand being idle now; you are ready for challenging, intellectual activities and attacking difficult problems on the job.

Feb 11, 2004 11 AM(Feb 10, 2004 to Feb 12, 2004)

Merc Trine Nep

You are inspired creatively, artistically, or spiritually at this time. Your imagination, intuition, and psychic sensitivity are high now, and you find yourself wanting to paint or listen to music, daydream, or fantasize rather than concentrate on practical matters.

Feb 11, 2004 (Jan 25, 2004 to Apr 18, 2004)

Sat Sqr Nep

This is a very trying time when doubt is cast on your most cherished ideals and lofty dreams. If you are a religious person, you may have the sobering realization of inconsistencies in your spiritual philosophy or hypocrisies within the church. Doubts about your spiritual path can bring you to a crisis and a crossroads in your thinking and attitude towards life. If you have not been taking a strong interest in metaphysical or spiritual areas, you may have a crisis regarding charitable activities or social and political ideals. Additionally, it is common for this astrological influence to bring about a general feeling of discontent with life, lack of motivation and energy, or negative attitudes and moods, without any apparent cause.

Negative feelings and low energy now can lead you to poor health habits such as getting insufficient exercise, eating junk food, smoking, or drinking to excess. Fight off these negative tendencies by taking a more active interest in spiritual, religious, idealistic, and charitable activities. For some people, a wonderful antidote for these negative tendencies is helping others with the same problem. For example, you can help people with alcohol-related problems rather than drink alcohol yourself or help drug users rather than take drugs yourself!

You are more susceptible to colds and other illnesses now, so try to maintain good health habits.

Feb 11, 2004 10 PM(Feb 10, 2004 to Feb 13, 2004)

Mars Qucnx Asc

Those in your environment are irascible and quarrelsome; they may attempt to embroil you in their disputes. What begins as a high energy competition or purposeful activity may turn nasty. It will be difficult for you to stay out of it; your inclination now is to do something. It would be much better for you to go solo right now rather than attempt a cooperative endeavor.

Feb 11, 2004 11 PM(Feb 11, 2004 to Feb 12, 2004)

Merc Oppos Merc

Exchanging information, ideas, and opinions plays an important role in your life now. A significant conversation with someone who has a very different attitude or perspective than your own is likely. Try to be receptive and learn as much as you can from others at this time. Also, mental curiosity or restlessness impels you to get out and about, perhaps take a short trip or visit.

Feb 12, 2004 (Feb 11, 2004 to Mar 1, 2004)

Merc 5th H.

Entertainment and amusements that are mentally challenging, such as chess, crossword puzzles, or other word games, have a strong appeal to you now. You will also enjoy dramatic presentations, the theater, creative writing and, if you have natural leanings in any of these areas, you will be inspired with ideas for future creative projects.

Feb 12, 2004 11 AM(Feb 11, 2004 to Feb 13, 2004)

Sun Trine Jup

This is a good time for relaxing recreation, a time to refresh and rejuvenate yourself and do the things you most enjoy doing. Good humor and optimism prevail now, and you are able to get a larger perspective on your life. This is also a good time to approach someone who is in a position to benefit you spiritually, intellectually, or materially.

Feb 12, 2004 3 PM(Feb 11, 2004 to Feb 14, 2004)

Mars Sxtil MC

Working energetically with a clear objective in mind, advancing your own professional goals, and enlisting others' support for your projects by acting as a leader are key issues now. Your superiors and others in authority respond favorably to your confidence and your willingness to take a risk or attack a problem in a new way.

Feb 13, 2004 5 AM(Feb 12, 2004 to Feb 14, 2004)

Ven Oppos Asc

This is a very positive time in your marriage or closest one-to-one relationships. Your need to be together and to share loving feelings is very strong. You want to give to your friends and loved ones and may spend generously in order to make them happy. You may also meet someone now who is very good for you.

Feb 13, 2004 (Feb 12, 2004 to Mar 8, 2004)

Ven 7th H.

This is a very favorable time for meeting people, particularly potential friends or romantic partners. You are feeling especially open-hearted and will find that others are very receptive to your friendly overtures. You want companionship and affection very much at this time and will not want to go it alone. If you are married, the love and attention you give to your mate will make your relationship much smoother and happier.

Feb 13, 2004 6 AM(Feb 11, 2004 to Feb 14, 2004)

Mars Qucnx Mars

A sudden accident, trauma, violent outburst, or fever are possibilities now. If you have been withholding any animosity, not taking what you need for yourself, or been in any sort of ongoing battle with another, the stress is likely to become unbearable. You also tend to force yourself unmercifully now, which will backfire. You might sustain injuries in a competitive situation or "burn out".

Feb 13, 2004 2 PM(Feb 12, 2004 to Feb 14, 2004)

Ven Sqr MC

The desire to socialize, to be friendly, or loved may interfere with getting work done or acting in a professional manner. Scheduling time for recreation or to attend to a relationship is a good idea now.

Feb 13, 2004 10 PM(Feb 13, 2004 to Feb 14, 2004)

Ven Oppos Mars

Relationships with the opposite sex are intensified now. You experience strong feelings of attraction and desire and, if you are unhappy in your sexual life, you can be very tense and angry "for no reason" now. You may be tempted to act on an infatuation.

Feb 14, 2004 12 AM(Feb 12, 2004 to Feb 15, 2004)

Mars Qucnx Nep

You seesaw between decisive, forceful action and passive surrender. This ambivalence makes you much less effective than you would be at other times. Emotions and dreams are apt to be rather turbulent, filled with strange restlessness or discontent. Try not to demand too much of yourself at this time. You are prone to infection and, on an emotional level, to getting discouraged.

Feb 14, 2004 4 AM(Feb 13, 2004 to Feb 15, 2004)

Merc Trine Ven

You are very congenial and cooperative now and more interested in the similarities than in the differences between yourself and others. This is a very good time to let people know you care about them: send a card, write a note of appreciation or even a love letter! You may also want to buy something beautiful, pleasing, and frivolous which simply makes you feel good.

Feb 14, 2004 8 AM(Feb 13, 2004 to Feb 15, 2004)

Ven Oppos Nep

You are in a dreamy, romantic mood. Yearnings for love, feelings of compassion, or even religious devotion accompany this time period. You are definitely more idealistic, tolerant, and selfless in your relationships, which may cause you to act against your own interests. Decisions involving money or important commitments to others, therefore, should probably be made some other time. A desire for loveliness and beauty in your surroundings is also strong.

Feb 14, 2004 3 PM(Feb 14, 2004 to Feb 15, 2004)

Merc Oppos Plu

This can be a time for exposing and talking about hidden, intensely private, secret, or taboo subjects. Your mind is very probing and your conversations and interactions with others are intense. Pat answers and superficialities don't suffice now. You can be too intrusive or overbearing when stating your point of view.

Feb 15, 2004 12 AM(Feb 14, 2004 to Feb 15, 2004)

Ven Trine Merc

This is a good time to schedule social activities or even business meetings where tact and friendliness would be a plus. You act as a diplomat and harmonizer between people with differing viewpoints. Also, attending cultural events such as an art show or a play is favored. Thoughts of love, an appreciation for beauty, and an aesthetic enjoyment of your surroundings are brought to the fore. A short pleasure trip would also be beneficial now.

Feb 15, 2004 5 AM(Feb 13, 2004 to Feb 16, 2004)

Mars Sqr Merc

Verbal battles, disputes, and heated debates are very likely at this time because you speak your mind without much forethought, tact, or consideration of consequences. Right now you will say the things you usually only think, especially to people you disagree with. Also, you are quite impatient and easily frustrated and are inclined to move about too quickly and abruptly, which can cause accidents. Unless you slow your pace down a bit, this time period can be quite a headache.

Feb 15, 2004 5 AM(Feb 14, 2004 to Feb 16, 2004)

Sun Oppos Sun

This is a time to get others' opinions and feedback about yourself and what you are doing. Relationships of all types are activated now and cooperation, compromise, and adjustments to others' viewpoints are key issues that require your attention. You may come into contact with a person who is especially creative or influential in your life.

Feb 18, 2004 12 AM(Feb 17, 2004 to Feb 19, 2004)

Ven Oppos Ven

Your needs for love, companionship, friendship, and sharing are very strong now, and you won't want to be alone or go off to do solitary work. In fact, you feel like relaxing and enjoying the beautiful side of life rather than laboring or concentrating on difficult tasks. A significant development in a close relationship or strong feelings of attraction to someone you encounter are very likely at this time.

Feb 18, 2004 3 PM(Feb 17, 2004 to Feb 19, 2004)

Ven Trine Plu

You have a special magnetism and attractive power now, and you are feeling intensely loving also. Your relationships, particularly sexual or romantic ones, intensify and have a deep, compelling, urgent quality. Your inner feelings and needs for love and closeness emerge very strongly. You may also channel some of these feelings into creative or artistic work, something that evokes and expresses your deepest self.

Feb 19, 2004 6 PM(Feb 19, 2004 to Feb 20, 2004)

Merc Sqr Moon

Emotions, prejudices, or unresolved issues from the past come up in your interactions with others now, and you may not be very objective.

This is a good time to speak up and clear the air of any grievances you have been holding on to for some time.

Personal subjects are the topic of discussion now. Reminiscing, remembering, daydreaming about, and reflecting on the past is likely.

Feb 20, 2004 6 AM(Feb 19, 2004 to Feb 21, 2004)

Merc Trine Ura

You experience sudden insights, make discoveries, come up with fresh solutions to old problems, and seek alternatives to the usual routine way of doing things. Your mental processes are speeded up and you move more quickly now. Try to make room for a lot of spontaneity and flexibility in your schedule at this time.

Feb 20, 2004 5 PM(Feb 19, 2004 to Feb 22, 2004)

Mars Qucnx Ven

Ambivalence or disagreeableness in a close relationship arises now. An old friend or lover who is rather disturbing to your peace of mind may contact you, or you may feel uncertain about where you are going in a particular relationship.

You may aggravate or pick at a friend or loved one in the misguided belief that you can change things. At this point, however, it is unlikely that your words or actions will create happiness or the desired outcome. Try to be good natured about any differences that are apparent to you now, and let it pass.

Feb 21, 2004 7 AM(Feb 20, 2004 to Feb 22, 2004)

Sun Qucnx Sat

A disappointment or sobering realization forces you to re-evaluate your course, make adjustments, and draw upon more of your resources than you had planned to. Overwork, a feeling of pressure and unease, and the weight of responsibilities may precipitate a minor health crisis. Avoid exhausting your energies at this time; lie low and do only what is truly necessary.

Feb 21, 2004 12 PM(Feb 20, 2004 to Feb 22, 2004)

Merc Trine Jup

This is a good time to travel, especially to places you've never experienced before, where you will be exposed to new ideas and different ways of looking at the world. Studying new concepts is also favored; your ability to understand abstract ideas and your desire to grow intellectually is strong now. Anything that broadens your world appeals to you at this time. You are interested in the big picture and have less attention and interest in details.

Feb 21, 2004 8 PM(Feb 20, 2004 to Feb 23, 2004)

Mars Sqr Plu

Your drive for personal power, achievement, or control over your life is very strong at this time. The tyrant in you emerges, and you can be excessively willful, domineering, or compulsive about doing what you want to. You battle anyone or anything that is an obstacle to your individual freedom of action, and ego conflicts or a furious power struggle may ensue. Also, you can be unmerciful with yourself and your own weaknesses. You are likely to push yourself much too hard.

Feb 23, 2004 2 AM(Feb 22, 2004 to Feb 24, 2004)

Merc Oppos Sun

A short trip, or at least a lot of activity and movement, is very likely now. A significant conversation, learning from another person, and getting your own ideas and perceptions across to others is also likely. You may hear from someone who has important information for you or feel a pressing need to write or call someone else in order to bring some matter in the open. Communications of all kinds play an important role in your life now.

Feb 24, 2004 3 PM(Feb 23, 2004 to Feb 25, 2004)

Sun Qucnx Asc

At this time, you may need to acquiesce, accommodate, or make adjustments for other people for the sake of expediency. That is, it will be less strain to step aside than to tangle with the opposition. You may be humbled now, see the flaws in your course of action or your attitude towards a situation, and remedy some of your errors. If you are unwilling to do this, a general sense of static or dissonance both within and without is likely.

Feb 25, 2004 2 AM(Feb 24, 2004 to Feb 26, 2004)

Sun Trine MC

Your career, reputation, public standing, or important personal goals gain momentum now. Your superiors or those in a position to support or further your aims are positively disposed toward you at this time. An important victory or success can be achieved.

Feb 25, 2004 11 AM(Feb 24, 2004 to Feb 26, 2004)

Sun Qucnx Mars

You are more prone to vexation and aggravation right now, especially in traffic or in some area of your life that you are trying to get ahead in. Accidents due to trying to force a situation, ignoring safety precautions, hurrying, or anger need to be guarded against. You are apt to feel that you have no outlets or means of expressing your anger or aggressive impulses, and right now that is probably true. Standing your ground and insisting upon your rights or your position only leads to unnecessary friction and bad blood, with no clear

winner or loser emerging. Either transcending or letting go of your frustration is really the only way out at this time.

Feb 25, 2004 11 PM(Feb 24, 2004 to Feb 26, 2004)

Sun Qucnx Nep

Vague feelings of weakness or a mysterious or unexplained illness and/or oversensitivity to chemicals, poisons, and pollutants can make this a challenging time. Your defenses are not as strong as usual which makes you susceptible to being overpowered by outside forces.

Be gentle and don't expect too much of yourself right now. Intoxicants of any sort are best avoided at this time.

Feb 26, 2004 2 PM(Feb 26, 2004 to Feb 27, 2004)

Merc Qucnx Sat

Your thoughts tend to be gloomy. There may be work ahead of you because of past errors of judgment. Or you may be sobering up after a "honeymoon" period with something or someone. You also hear a bit of information that troubles you. Try to do what you can without worrying excessively or burdening yourself with the entire load of responsibility. Even if a problem cannot be solved or eradicated, it can be managed in an intelligent way.

Feb 26, 2004 5 PM(Feb 25, 2004 to Feb 27, 2004)

Ven Sxtil Ura

This is a time for getting a little loose and wild with friends, going dancing, or doing something out of the ordinary that is stimulating and fun. You meet interesting new people and are more open to people who are quite different from yourself. An opportunity for a romance may arise which is likely to be exciting, though short-lived.

Feb 26, 2004 5 PM(Feb 25, 2004 to Feb 27, 2004)

Sun Qucnx Merc

Communications are delayed or interfered with now. Somehow, the message you intended and the one that was received or perceived are not quite the same. There is quite a bit of static on the line, metaphorically and quite possibly literally as well. You also find that the way others talk or try to convey their ideas is grating and just goes against your grain. Try not to let their minor irritations get blown out of proportion. Most likely it is style rather than substantive disagreements which cause tension now.

Feb 27, 2004 (Feb 26, 2004 to Mar 25, 2004)

Sun 6th H.

Doing your best work and taking pride in it are a focus for you now. This is a good time to examine how you use your time and energy, with an eye to improving your efficiency and productivity.

Health matters are also a concern of yours now, and you may be inspired to begin a self-improvement program, create better health habits, or begin a new diet or fitness regimen.

Feb 28, 2004 (Feb 2, 2004 to Apr 10, 2004)

Sat Sqr Mars

Long-term projects and important work reach a critical point at this time. You are faced with new obstacles that make you reconsider the direction of your work and career. The frustrations that you face now can cause you to become very discouraged and emotionally depressed. Do not let yourself become so discouraged that you give up on work that is important to you and that you have invested many hours in! On the other hand, do not blindly and stubbornly persist without considering alternative ways of approaching your work. Some change in approach, combined with good old-fashioned elbow grease, will help you get through the challenges of this time period.

Some of your cherished hopes and dreams meet sobering realities now. Response to your ideas, creative work, and efforts is very meager now. Don't try to gain attention and promote yourself or your work now; concentrate on what you are doing and how you are doing it. There are lots of repairs, maintenance, fine tuning, and corrections to be made in your creative work, home, tools, machinery, etc. at this time, and it is best to concentrate on these problems now.

This is not a good time for fun-filled and exciting activities, so don't plan big parties and exciting events at this time. The mood is serious. A get-together with friends now is likely to end up being a serious discussion of work and responsibilities, which is not bad if this is what you want. However, too many entertainments at this time actually irritate you, as you are unable to forget about the pressures and concerns that need your attention.

This is a time when short trips, excursions, errands, etc. are interfered with. You will have to adjust your plans or appointments to accommodate an inconvenience. You may also have to re-examine some matter you believed to have already been concluded and resolved. Negotiations are apt to be strained and awkward, although direct confrontation is unlikely.

You are in a festive, partying mood and just want to play and share a good time with your friends. Community social events and fellowship are very rewarding now. Also, at this time it is hard for you to say no to food, drink, or extravagances in any form. You are also very generous and tolerant toward others. Though you feel wonderful now, you're likely to regret your actions later if you don't curtail your impulses to overindulge, overspend, and enjoy too much of a good thing.

Your mind is on accomplishment and action, and there is a competitive edge in your speech or manners. You may be brusque, even rude, especially with people who are taking up your time unnecessarily. Be careful while running errands, particularly in traffic. Your sense of timing is a bit off and combined with your impatience, you could have an unfortunate run-in.

Moments of confusion, disorientation, and mental fogginess are likely. You may misunderstand or misconstrue something that is stated in ambiguous terms, so be absolutely certain that everything is spelled out and crystal clear. You are also apt to forget appointments, overlook significant details, make errors in computation, etc. Any sort of intoxicants or chemicals should be strictly avoided now. Right now, you are prone to feel vaguely dissatisfied with your personal life, especially the romantic side of it. In social situations, there is an uneasiness, clumsiness, or perhaps some sort of minor embarrassment or faux pas on your part. If you do artistic or creative work, you may be more critical of it than usual, feel that it is not well received or appreciated, or simply feel a little dry and uninspired. Without realizing it, you are probably censoring yourself. Accepting imperfection and being patient in both the creative and the romantic aspects of your life will be necessary.

Past mistakes, infringements, or secrets come back to haunt you now, but you may feel that your hands are tied in any attempt to rectify these matters. Areas or relationships in which you have misused authority and control cause distress at this time. While direct action to resolve or balance these problems may not be possible, you must be aware of what is going on, lest an unconscious collusion on your part contributes to the situation. Your ambitions or career reach a climax or critical point at this time. This time period is an important culmination of a great deal of effort. The effect of this culmination can be either wonderful or disastrous, depending on the quality of your work and the astuteness of your career decisions. For most people, a major advancement in career is made at this time, with increased stature and responsibilities, but also considerable stress, power struggles, and difficulty attend this change. It is possible that the stress and difficulty become so great that the success is very short-lived and you quickly topple down to an even lower position than where you started.

If you are employed by a large company, you are likely to receive a promotion to a position of much greater authority and stature. If you are involved in an artistic, athletic, or service area, you may receive special recognition at this time. However, you may also face the negative consequences of increased responsibilities and pressure, such as resistance and nastiness from others who resent your promotion, or exposure of inadequacies in your character or personality. The advancement you make now is the culmination of the effort and dedication you have put into your work. At this time you receive recognition and advancement in response to your years of service and dedication. However, note that if you have been cheating your customers or clients, taking shortcuts to success, exaggerating your products or talents, or investing time, energy, and resources on fantastic, impractical dreams, then a collapse of your entire effort may occur now.

Note that the precise timing of this astrological influence is very dependent on the exact birth time, so the dates given are accurate only if your birth time is very accurate.

Frustrations and obstacles in your relationships with others arise at this time. You feel like others do not really understand you and do not cooperate with you, and that to do anything right, you have to do it yourself. Weak points in your relationships to others reveal themselves, and you find out that others often are not there to help you when you need them most. Those few people that you do feel in rapport with now become even more important to you and become even closer friends.

You are likely to make an important change at this time. Many of your habits may no longer feel appropriate. You may change your manner of dress, hair style, or other aspect of your appearance. You want others to think of you differently, and these changes can be effective in helping you better express your current feelings and interests.

Your personality and attitude towards life undergoes some changes now. If you are experiencing a lot of frustration now, you may assume a negative stance towards life - pessimistic and less enthusiastic, and you may feel that bad luck has befallen you. If this happens, try to realize that the world is not against you, that you are the maker of your own destiny, and be strong enough to make positive changes in your attitudes.

Note that the precise timing of this astrological influence is very dependent on the exact birth time, so the dates given are accurate only if your birth time is very accurate.

Mar 27, 2004 1 AM(Mar 26, 2004 to Mar 28, 2004)

Sun Oppos Nep

Your defenses are weaker than usual now and you are inclined to passively withdraw or give in to other people rather than act decisively and strongly in your own behalf. Confusion, vagueness, or misrepresentation can occur in your relationships, so beware of making commitments at this time. You're likely to see things much more clearly and realistically later on.

Mar 27, 2004 12 PM(Mar 26, 2004 to Mar 28, 2004)

Ven Qucnx Jup

Financial excesses and spending money you don't have on pleasure or luxury are indicated. Over-eating or partying to excess can also lead to trouble. You may actually get ill from too much rich food, sweets, or alcohol, so exercise caution. Beware, too, of anyone or anything which is presented to you now which looks too good to be true - no doubt it is.

Mar 27, 2004 2 PM(Mar 26, 2004 to Mar 28, 2004)

Merc Trine Sun

You are very clear and perceptive now. It's a good time to make a decision or come to an agreement, negotiate, exchange your views with others, or present your case. If you are in a profession dealing with words, ideas, or communication, this is a very productive time for you. Ideas flow, and you express your thoughts well.

Mar 27, 2004 7 PM(Mar 26, 2004 to Mar 28, 2004)

Sun Trine Merc

If you are a writer, teacher or student or are involved in any intellectual work, this is a positive time for you: ideas flow and it is easier than usual to express your thoughts. Also, this is a good time for buying, selling, negotiating, and communications of all kinds.

Mar 29, 2004 6 PM(Mar 28, 2004 to Mar 31, 2004)

Mars Trine Asc

At this time it is easy for you to express yourself boldly and confidently. You seem to care less about outside approval and this frees you to act on your own behalf or to do something you have not had the courage to attempt before. Your health and vitality are quite good, and you need physical outlets for your energies now.

Mar 30, 2004 7 AM(Mar 29, 2004 to Mar 31, 2004)

Ven Sqr Sun

Your desire for pleasure, ease, and affection is brought to the fore and may interfere with work or complicated situations in which you need to be acting assertively and on your own behalf. Your mood and attitude is conciliatory, and your need for love and approval heightened. Social gatherings and personal relationships are favored.

Mar 31, 2004 2 AM(Mar 29, 2004 to Apr 1, 2004)

Mars Trine Mars

Self-confidence, physical energy, and courage run high, so this is a fine time to undertake any project or challenge that confronts you, especially if it involves competition or asserting yourself vigorously. You are inclined to take charge or assume a leadership role at this time.

Mar 31, 2004 8 AM(Mar 30, 2004 to Apr 1, 2004)

Sun Oppos Ven

You are feeling particularly affectionate now and the company of your love partner or very close friends is important to you. This is not a time for solitary activity. Sharing, harmonizing, and love are the themes now. However, if you are not happy in your personal life, your problems may seem especially pressing at this time.

Mar 31, 2004 8 PM(Mar 30, 2004 to Apr 2, 2004)

Mars Trine Nep

You do not feel very sharp, competitive, or aggressive at this time. Feelings of relaxation, receptivity, passivity, or aimlessness are likely and you tend to avoid stressful confrontations or situations that demand too much of you. Goals and desires that normally seem so important - especially ones in which you are pushing your own interests - do not matter quite as much now. Your imagination is stimulated, and you need activities and entertainments that are colorful, out of the ordinary, and definitely not mundane.

Apr 1, 2004 2 AM(Mar 31, 2004 to Apr 2, 2004)

Sun Trine Plu

This is an excellent time to eliminate whatever is unnecessary and outworn in your life from clutter and disorder in your environment to an unhealthy relationship or even a long-held attitude or belief which keeps you from going after what you really want in life.

You are also more perceptive than usual. You see other people's true colors more clearly and you may discover a secret or the hidden aspect of some situation.

Something lost, hidden, or forgotten may come to light.

Apr 1, 2004 (Jan 25, 2004 to Apr 18, 2004)

Sat Sqr Nep

This is a very trying time when doubt is cast on your most cherished ideals and lofty dreams. If you are a religious person, you may have the sobering realization of inconsistencies in your spiritual philosophy or hypocrisies within the church. Doubts about your spiritual path can bring you to a crisis and a crossroads in your thinking and attitude towards life. If you have not been taking a strong interest in metaphysical or spiritual areas, you may have a crisis regarding charitable activities or social and political ideals. Additionally, it is common for this astrological influence to bring about a general feeling of discontent with life, lack of motivation and energy, or negative attitudes and moods, without any apparent cause.

Negative feelings and low energy now can lead you to poor health habits such as getting insufficient exercise, eating junk food, smoking, or drinking to excess. Fight off these negative tendencies by taking a more active interest in spiritual, religious, idealistic, and charitable activities. For some people, a wonderful antidote for these negative tendencies is helping others with the same problem. For example, you can help people with alcohol-related problems rather than drink alcohol yourself or help drug users rather than take drugs yourself!

You are more susceptible to colds and other illnesses now, so try to maintain good health habits.

Apr 2, 2004 1 AM(Mar 31, 2004 to Apr 3, 2004)

Mars Sxtil Merc

You have a lot of mental energy and are eager to "attack" intellectual or conceptual problems. You are likely to come up with a clever solution or a very workable plan, especially if you brainstorm with others. You also tend to make up your mind very quickly and decisively now and to translate your ideas into action.

Apr 5, 2004 6 PM(Apr 4, 2004 to Apr 6, 2004)

Ven Sxtil Sat

You are feeling sober and realistic about love at this time, and are interested in being with people you respect and can depend upon - your oldest, true-blue friends. Also, reaching out to an older relative or another mature, experienced person can mean a lot to you and be mutually beneficial now.

Apr 6, 2004 12 PM(Apr 2, 2004 to Apr 10, 2004)

merc sqr sat

Your thinking is rather gloomy and pessimistic at this time. You see the superficiality, the flaws, and the foolishness or impracticality in others' plans. Also, communicating with others is difficult now, and people resist what you are saying. You feel more inhibited and uncommunicative, and you sense that others are not receptive. Frustrating conversations and the feeling that you are coming across negatively are possible now, so you are inclined simply to keep your thoughts to yourself.

Apr 7, 2004 (Apr 6, 2004 to Aug 13, 2004)

Ven 9th H.

At this time you are attracted to foreign cultures and art forms and to people and experiences that are different from anything you've encountered in the past. The exotic and unknown have much more appeal to you than the familiar. This is an excellent time for a vacation, particularly if you can travel to someplace you've never been before.

Also, sharing and comparing your spiritual, religious, or philosophical interests with a friend or loved one may open up a whole new dimension of your relationship.

Apr 7, 2004 1 PM(Apr 5, 2004 to Apr 9, 2004)

Mars Trine Ven

Right now you are more magnetic and sexually attractive, and your love life is likely to be both harmonious and satisfying. You experience a positive flow of warmth and friendliness between yourself and others, and you are stimulated and energized by your casual interactions with others of the opposite sex. Creative and artistic efforts also flourish at this time.

Apr 8, 2004 4 PM(Apr 7, 2004 to Apr 10, 2004)

Mars Sxtil Plu

You may be considering a major overhaul or revision in your ambitions at this time. If you do not have a sense of meaningful purpose or a passionate commitment to anything, you will want to reassess where you are going and why. If you do have a clear goal, you can make significant progress and work with great satisfaction now. An opportunity to do what you really want to do is likely.

Apr 9, 2004 11 AM(Apr 8, 2004 to Apr 10, 2004)

Ven Trine Asc

At this time you are inclined to invest your time and money into making your environment more beautiful and comfortable. You may also wish to enhance your personal appearance in some way, such as getting a new hair style or purchasing clothing, cosmetics, and the like. Social gatherings are also very positive for you now.

Apr 10, 2004 10 AM(Apr 9, 2004 to Apr 11, 2004)

Ven Trine Mars

You feel quite amorous and affectionate now and will very much want to share this time with someone you love or at least with congenial company. Your creative or artistic inclinations are also stimulated, and your work in these areas will be especially satisfying and successful at this time.

Apr 10, 2004 1 PM(Apr 9, 2004 to Apr 11, 2004)

Sun Sxtil Ura

Acting on impulse, changing your usual routine, improvising and using your intuition rather than following a prescribed, logical way of doing things is called for now. The tempo of your life accelerates now. Expect a rather inconstant, unpredictable, but interesting time.

Apr 11, 2004 12 AM(Apr 9, 2004 to Apr 12, 2004)

Ven Trine Nep

At this time you are more sensitive to beauty and also to the feelings and needs of others. It is easy for you to give generously of yourself, for you sympathize strongly with other people and spiritual values are more important than material ones at this time.

Apr 11, 2004 9 PM(Apr 10, 2004 to Apr 13, 2004)

Ven Sxtil Merc

This is a very good time to go to the theater, an art exhibit, or social gathering. You want to see beautiful things and exchange pleasantries with others. In fact, matters of the heart are on your mind and you may want to play match-maker now.

Apr 12, 2004 4 PM(Apr 11, 2004 to Apr 13, 2004)

Sun Oppos Jup

A goal or vision you have been working toward comes into fruition now, or gains momentum and positive recognition from others. You feel expansive and inclined to take risks, and you may be overly extravagant now.

Apr 13, 2004 (Mar 23, 2004 to May 14, 2004)

Ura Qucnx Asc

The manner in which you present yourself and relate to others at this time may upset the status quo. You are remarkably more independent, rebellious, iconoclastic, or selfish. Impatient with endless compromising or accommodating others, you are apt to just do whatever you feel like doing! On the other hand, those in your immediate environment may be changing just as rapidly and forcing you to cope with some surprises or unexpected twists and turns. A general sense of excitement coupled with insecurity and uncertainty colors this entire time.

You suddenly may decide to relocate. Carefully check out this impulse because your discontent may not be eased by a change in locale. Relationships are prone to unreliability and breakups at this time, especially if you feel they are unduly restrictive.

Note that the precise timing of this astrological influence is very dependent on the exact birth time, so the dates given are accurate only if your birth time is very accurate.

Apr 15, 2004 12 PM(Apr 14, 2004 to Apr 16, 2004)

Sun Trine Sun

Confidence and inner harmony prevail. You can move forward with creative projects and express yourself more easily and comfortably now. Your efforts are well received at this time.

Apr 16, 2004 2 AM(Apr 14, 2004 to Apr 17, 2004)

Ven Trine Ven

Contentment, emotional well-being, and harmony prevail in your personal relationships. At this time you relax and indulge in your pleasure-loving side. Unless other astrological indications override this influence, you are unlikely to be forceful and try to make things happen, but instead are inclined to flow along with people and situations, attracting what you need and letting the world come to you.

Apr 17, 2004 12 AM(Apr 15, 2004 to Apr 18, 2004)

Ven Sxtil Plu

Your feelings for friends and your emotional responses to life in general are deeper and more intense. The need to share, to give and receive love, and to be accepted and wanted is very strong. You have an opportunity now to see what keeps you from being really close to others - perhaps a forgotten hurt or hidden resentment - and to rid yourself of it by bringing it out in the open or simply releasing it.

Apr 18, 2004 6 PM(Apr 17, 2004 to Apr 20, 2004)

This astrological influence (Merc Trine Sun) also occurred on Mar 27, 2004 (peak date). Please refer to this date.

Apr 21, 2004 6 PM(Apr 20, 2004 to Apr 22, 2004)

Sun Sqr Sat

This is a time of considerable frustration and your desires or efforts appear to be thwarted or at least delayed. Relationships with men and people in authority may be particularly uncomfortable. Also, you have more self-doubt than usual; your mood is somber and rather self-critical. This is a good time to take stock of your life, to see how you are limiting and holding yourself back, and to determine your next steps. But do not attempt to press forward now, and don't take whatever setbacks you experience too much too heart.

Apr 22, 2004 (Apr 21, 2004 to May 24, 2004)

Sun 8th H.

Joint financial affairs and investments are likely to be an issue at this time, and it is a good time to clarify each party's expectations and to take care of legal business, insurance, wills, and so on.

On a personal level, there is a desire to intensify the level of intimacy and honesty in your closest relationships and to clear away anything which is impeding the deeper union you seek.

Apr 23, 2004 2 AM(Apr 21, 2004 to Apr 25, 2004)

Merc Oppos Jup

You are mentally restless and can not concentrate well on your immediate, familiar tasks. You are not inclined to discipline your mind or focus on practical matters, unless there is an element of gambling, play, or risk-taking involved. Reading something that is mind expanding, taking a trip, or planning a vacation is favored at this time.

Apr 23, 2004 6 AM(Apr 21, 2004 to Apr 24, 2004)

Mars Conj Ura

You are headstrong and rash at this time. Wild and daring physical activities, or just plain recklessness and impatience, can put you into dangerous situations. Your drive for freedom, independence, and absolute authority over your own life is quite strong. You tend to be very abrupt and inconsiderate of others. It's best for you not to try to cooperate or slow down your pace to suit other people too much. You need to follow your own rhythm. You are likely to actually act on some of the more unusual or "crazy" impulses you feel from time to time: you crave excitement.

Apr 25, 2004 5 AM(Apr 24, 2004 to Apr 26, 2004)

Sun Qucnx Asc

At this time, you may need to acquiesce, accommodate, or make adjustments for other people for the sake of expediency. That is, it will be less strain to step aside than to tangle with the opposition. You may be humbled now, see the flaws in your course of action or your attitude towards a situation, and remedy some of your errors. If you are unwilling to do this, a general sense of static or dissonance both within and without is likely.

Apr 25, 2004 5 PM(Apr 24, 2004 to Apr 26, 2004)

Sun Sxtil MC

Your long-range goals, life direction, or career aims come into focus now. You gain clarity or a stronger sense of purpose, which energizes your efforts to get ahead or move toward what you really want.

Recognition or support from your superiors or others who are in a position to assist you is likely now, especially if you take some initiative.

Apr 26, 2004 (Apr 2, 2004 to Aug 23, 2004)

Ura Trine MC

Exciting developments in your career make this time period a very positive one. A jolt of enthusiasm and vitality into your work picks up your spirits and gives you much to be excited about. Now is the time to seek out more creative outlets, more exciting and interesting work. If your current work is boring and tedious, now is the time when you can break free from this inertia. The improvements may come in the form of promotions that provide greater freedom and creativity, transfers to a more liberal and progressive area, or a complete job change. Search out opportunities for more interesting and exciting work because the benefits do not always fall in your lap. Sometimes the opportunities can be very close at hand if you just avail yourself to them.

This is a lively time for you when you discover new ideas and encounter situations that provide you with new perspectives and experiences. You will frequently feel the impulse to try something new, whether it be a sport

you haven't played before, a person or family you would like to get to know better, visiting a place you haven't seen before, going to a new kind of restaurant, or learning about a subject area that is new for you. Whether seemingly insignificant or not, follow your impulse to explore new alternatives now because they open new doors.

Note that the precise timing of this astrological influence is very dependent on the exact birth time, so the dates given are accurate only if your birth time is very accurate.

Apr 26, 2004 2 AM(Apr 25, 2004 to Apr 27, 2004)

Sun Qucnx Mars

You are more prone to vexation and aggravation right now, especially in traffic or in some area of your life that you are trying to get ahead in. Accidents due to trying to force a situation, ignoring safety precautions, hurrying, or anger need to be guarded against. You are apt to feel that you have no outlets or means of expressing your anger or aggressive impulses, and right now that is probably true. Standing your ground and insisting upon your rights or your position only leads to unnecessary friction and bad blood, with no clear winner or loser emerging. Either transcending or letting go of your frustration is really the only way out at this time.

Apr 26, 2004 1 PM(Apr 24, 2004 to Apr 28, 2004)

Mars Trine Jup

At this time you will want to branch out; you have the energy to do more and take on more challenges. This is a very good time to begin implementing the plans and promises that you have made to yourself, as any new endeavor is likely to succeed. A new health regimen, actions taken to advance professionally, or anything you do to move toward achieving a cherished goal or ideal goes well now.

Apr 26, 2004 3 PM(Apr 25, 2004 to Apr 27, 2004)

Sun Qucnx Nep

Vague feelings of weakness or a mysterious or unexplained illness and/or oversensitivity to chemicals, poisons, and pollutants can make this a challenging time. Your defenses are not as strong as usual which makes you susceptible to being overpowered by outside forces.

Be gentle and don't expect too much of yourself right now. Intoxicants of any sort are best avoided at this time.

Apr 27, 2004 9 AM(Apr 26, 2004 to Apr 28, 2004)

Sun Sqr Merc

A fast pace, with many letters, phone calls, errands, meetings, or discussions, is on the agenda. You may feel mentally restless, impatient, and overly eager to get your own ideas across. Also, a situation may arise which requires you to say what is on your mind, to make a decision, or to clearly voice your personal opinion on some issue.

Apr 29, 2004 8 PM(Apr 25, 2004 to May 5, 2004)

Merc Sxtil Ura

You will want a break from the predictability of your usual routine and methods. You're in the mood to experiment and to learn something new. Offbeat or original ideas excite you and you will seek people who can offer you a different way of looking at things. Discovery, inventiveness, and spontaneity are major themes now.

Apr 30, 2004 5 PM(Apr 28, 2004 to May 2, 2004)

Ven Conj Ura

You are craving emotional excitement, stimulation, and something new and alive. This is a time for music, dancing, and being joyfully spontaneous. Your social inhibitions are loosened, and you may be tempted to have a wild flirtation or to act in a rather reckless way in a relationship.

Apr 30, 2004 10 PM(Apr 29, 2004 to May 2, 2004)

Mars Sxtil Sun

Your physical drive and energy level are high now, and you can accomplish a great deal fairly easily. You are inclined to take the initiative or to strike out on your own, and you are likely to be successful at what you attempt at this time. Because you assert yourself in a positive manner, a leadership role or an opportunity to do something you have wanted to do on your own is likely to be offered to you.

May 1, 2004 12 AM(Apr 29, 2004 to May 2, 2004)

Sun Qucnx Ven

Right now, you are prone to feel vaguely dissatisfied with your personal life, especially the romantic side of it. In social situations, there is an uneasiness, clumsiness, or perhaps some sort of minor embarrassment or faux pas on your part. If you do artistic or creative work, you may be more critical of it than usual, feel that it is not well received or appreciated, or simply feel a little dry and uninspired. Without realizing it, you are probably censoring yourself. Accepting imperfection and being patient in both the creative and the romantic aspects of your life will be necessary.

May 1, 2004 6 PM(Apr 30, 2004 to May 2, 2004)

Sun Sqr Plu

Underlying or previously hidden aspects of a situation come to light now.

The misuse of personal power, dominating or manipulating others, and the subtle ways you try to control situations or other people are issues. The tyrant in you comes out, or you find yourself dealing with the more difficult, dark, tyrannical side in other people.

Also, this can be a time when you are forced to confront and deal with something which is no longer working

- from old, outworn possessions to an unhealthy relationship or a deeply ingrained, self-defeating attitude.

May 4, 2004 11 PM(May 2, 2004 to May 7, 2004)

Ven Trine Jup

Emotional well-being and contentment characterize this time period. You feel quite relaxed and carefree, and this would be a splendid time for a vacation. Laziness, self-indulgence, and expecting everything to work out well with no effort on your part are negative possibilities now. You feel very lucky and you are likely to be lax or extravagant with your money. Material benefits are, indeed, likely at this time, but beware of being overly generous or depending too much on Lady Luck.

Sudden reversals of decisions, unexpected changes in plans, and friction with others that leads to erratic action on your part is indicated now. Accidents or traumas due to outbursts of anger or to brazen recklessness need to be guarded against. Take it easy, slow your pace, recheck safety precautions. You can avoid much of the strife of this time period if you regularly exercise or work out, preferably on your own. Interactions with others, males in particular, can lead to trouble for you at this time.

May 10, 2004 12 PM(May 9, 2004 to May 11, 2004)

Sun Conj Moon

Key issues now are your home, personal life, and closest emotional relationships. You feel more quiet and reflective, and you feel a need to be closer to home and to loved ones. You can draw a lot of strength and satisfaction from your family and roots now, but if all is not well in this area, you will clearly see any difficulties or inadequacies at this time. You are more emotional and subjective than usual.

May 13, 2004 12 PM(May 12, 2004 to May 14, 2004)

Sun Qucnx Jup

An irritable urge to be free of constraints, social obligations, or bureaucracy typifies this time period. You may inadvertently provoke the disapproval of colleagues, superiors, or other authorities through some presumptuous act on your part. Beware of overly optimistic schemes or self-indulgent purchases at this time also.

May 15, 2004 3 AM(May 9, 2004 to May 25, 2004)

Ven Sxtil Sun

Opportunities for friendship, cooperation, love, and shared happiness arise. The warmth and good will you generate now is likely to be a benefit to you both now and later on. You feel especially friendly and sociable.

May 15, 2004 9 PM(May 14, 2004 to May 17, 2004)

Mars Sqr Asc

Irritations, conflicts with the people you relate to on a daily basis, and a generalized feeling of impatience or edginess characterize this period. Because you are not feeling very obliging or compromising, this is not a good time to try to come to an agreement with another. However, you need to get your grievances out in the open; otherwise the tension builds up to an unmanageable level.

May 16, 2004 9 AM(May 15, 2004 to May 17, 2004)

Sun Sqr Sun

You may feel temporarily blocked now. Resistance and challenges from others or from outside situations suggest that this is not a good time to try to force your will and desires upon the world, as friction is the only likely result. Relations with men can be especially tense.

May 16, 2004 (May 15, 2004 to July 6, 2004)

Mars 10th H.

You are strongly motivated to achieve your professional goals and get personal recognition for your efforts, and competitive energies run high. Ego conflicts, especially with those in authority or who have some bearing on your career life, may arise. Try to control or temper your ambition with consideration for others.

Your urge to act and to do is so strong that you are prone to rush and to try to force your will in situations where waiting may be more appropriate.

May 16, 2004 3 PM(May 15, 2004 to May 18, 2004)

Mars Conj MC

Your desire for leadership, personal recognition for your efforts, and absolute control over your own affairs is very strong now. You are very competitive in business affairs and you aggressively present your concerns and interests to colleagues and superiors. Anger over an inability to be first or to be on top is quite possible, but you won't take it lying down. You are ready to fight if necessary in order to forge ahead!

May 17, 2004 5 AM(May 15, 2004 to May 18, 2004)

Mars Sqr Mars

At this time you must guard against being too aggressive, coming on too strong, or trying to force your own will and thereby arousing hostility in others. Also, frustrated desires and obstacles to achieving your aims can evoke enormous anger in you, and you may do something rash and regrettable. Conflicts and confrontations may be unavoidable, but do try to avoid situations which you know will provoke or irritate you. Working alone is best at this time.

May 18, 2004 12 AM(May 16, 2004 to May 19, 2004)

Mars Sqr Nep

This can be a very depleting and confusing time when you do not know exactly what you want or you do not feel strong, capable, or effective. Physically, you need to be gentle with yourself and take care not to dissipate your energy reserves. Your imagination can run wild now, and you want to act out a fantasy or strange desire - something you normally would have the good sense not to attempt. However, if you are an artist, this is a very inspired, fertile time for you.

May 18, 2004 2 AM(May 17, 2004 to May 19, 2004)

Communication and negotiations regarding joint finances, shared assets and investments, and property or anything else you own in common with another person, are likely now. It is a good time to get such affairs in order. Discussions about death are also likely to arise, both over legalities (wills, inheritances, and so on), and the more emotional, personal aspects of it.

May 21, 2004 6 AM(May 20, 2004 to May 22, 2004)

Making decisions or long-range plans is favored now. Your judgment is sound. Making worthwhile professional contacts, reaching out to others who can help you in your work, and taking care of business in an orderly, clear way are also likely.

Your mind is on accomplishment and action, and there is a competitive edge in your speech or manners. You may be brusque, even rude, especially with people who are taking up your time unnecessarily. Be careful while running errands, particularly in traffic. Your sense of timing is a bit off and combined with your impatience, you could have an unfortunate run-in.

May 21, 2004 11 PM(May 21, 2004 to May 22, 2004)

Merc Qucnx Nep

Moments of confusion, disorientation, and mental fogginess are likely. You may misunderstand or misconstrue something that is stated in ambiguous terms, so be absolutely certain that everything is spelled out and crystal clear. You are also apt to forget appointments, overlook significant details, make errors in computation, etc. Any sort of intoxicants or chemicals should be strictly avoided now. They will make you very dopey, or possibly even poison you.

May 22, 2004 12 PM(May 21, 2004 to May 23, 2004)

Merc Sqr Merc

Intellectual disagreements or differences of opinion and viewpoints arise now. You may have to speak your mind in a way that challenges or unnerves someone else. However, your mind is very active and sharp, and your reasoning power is good, so this is a good time to do mental work.

May 22, 2004 6 PM(May 21, 2004 to May 23, 2004)

Sun Sxtil Sat

Your ability to concentrate and focus on your work is very good now. This is a time to attend to details, take care of practical business, and to make your life more stable and secure. It would be beneficial to consult advisors on investments and long-range plans and to put your affairs in order. Eliminating waste and inefficiency is important to you now.

May 23, 2004 (May 14, 2004 to June 1, 2004)

A sobering experience in a love relationship occurs around this time. You may be rudely shown ways in which your attitude and behavior towards a loved one is based on misguided principles. You may discover that for a long time you have been expecting the other person to play a role that fits a concept of yours, but is stifling for the other person. Now you must learn to let the other person express his/her nature more fully, and you must adjust to it. The opposite situation may also occur; you realize that you have been playing a role to meet the expectations of others and you want to be more genuine and have a more genuine relationship with others. You are also likely to discover that you have some "fair weather friends" that let you down when you need them most. You also discover some "real friends" who take an interest in your deeper concerns and interests.

This is also a time when parties and social festivities seem to disappear. You may have a good heart-to-heart talk with someone, but very few jovial, light, carefree and happy times. You need to think about your relationships and attitudes towards love and romance seriously and decide how to handle your current relationship. If you are not involved in a relationship now, then you are thinking seriously about what you want in a relationship, or whether you want one at all. Do your homework well because your ideas and intentions now

will strongly affect your decisions later!

Your financial situation may be difficult now also. Some reorganizing is needed and you need to cut out extravagances and waste. This is relatively easy for you to do now because luxurious, expensive, beautiful things have less power over you now than usual. You are searching for something of deep and lasting satisfaction, rather than "skin-deep" beauty. Your usual pleasures do not interest you now, and you can become emotionally depressed. Allow yourself time to get away from the usual demands of your life and engage in quiet, peaceful activities. You will find this refreshing and rejuvenating, and you will come away much clearer about what you really want in love relationships and friendships, and what material possessions are most satisfying and important to you.

May 24, 2004 (May 23, 2004 to June 27, 2004)

Sun 9th H.

This is a time to lift yourself out of your usual mundane concerns in order to get a larger perspective on your life. You seek new vistas and broader horizons through traveling, studying, or reading about foreign cultures or by seeking out people with greater experience, insight, and knowledge than your own. A teacher or mentor may be particularly important to you now.

May 24, 2004 6 PM(May 23, 2004 to May 26, 2004)

Mars Sqr Ven

Your amorous feelings and passions are strong and compelling at this time, and you tend to be very demanding of a lover's energy and affection. Tensions may erupt in close relationships because one of you feels that you have been giving more and not receiving enough in return, or one of you is more amorous than the other. Frustrated love desire can easily turn to anger or irritability at this time.

May 25, 2004 1 AM(May 24, 2004 to May 26, 2004)

Merc Qucnx Ven

Misunderstandings with a friend or someone you are usually in harmony with are likely to arise now, especially if you feel you are being taken for granted. You are more acutely aware of differences in style, taste, or values. You will want your personal preferences to be appreciated and taken into account.

May 25, 2004 1 PM(May 24, 2004 to May 26, 2004)

Merc Sqr Plu

It is impossible for you to be content with superficial answers now, and you are impatient with people who avoid looking candidly and honestly at root causes and hidden reasons for any problem or situation. You tend to force your views on other people now. Also, you can become obsessed with an idea or problem until you have figured it out.

May 26, 2004 6 AM(May 25, 2004 to May 27, 2004)

Sun Trine Asc

You are in harmony with the people in your immediate environment. There is a sense of ease and of flowing with, rather than fighting against or resisting, what is going on around you. Therefore, you have more energy and more fun at this time.

Now is a good time to make a presentation, go for an interview, or meet the public in some way; the response is positive.

May 27, 2004 4 AM(May 26, 2004 to May 28, 2004)

Sun Trine Mars

You have an abundance of physical energy and self-confidence right now and can take on new projects and challenges with ease. You feel bolder and less dependent on others' affirmation and approval.

Taking a strong stand or striking out on your own in some manner is likely to work out well for you.

May 27, 2004 4 PM(May 26, 2004 to May 28, 2004)

Sun Trine Nep

At this time you really enjoy art, theater, music, and your own inner world of fantasy. Your imagination is vivid. If you have an interest in spiritual matters, these interests come to the fore now also. The inability to be decisive and a lack of energy or drive is a negative possibility. You can be quite lazy now.

May 28, 2004 11 AM(May 27, 2004 to May 29, 2004)

Sun Sxtil Merc

This is a time when you express yourself very clearly, and conversations, negotiations, and communications of all kinds are cordial and successful. Expect a rapid pace with numerous transactions, letters, phone calls, or errands requiring mental clarity.

May 29, 2004 10 PM(May 27, 2004 to May 31, 2004)

Ven Trine Jup

Emotional well-being and contentment characterize this time period. You feel quite relaxed and carefree, and this would be a splendid time for a vacation. Laziness, self-indulgence, and expecting everything to work out well with no effort on your part are negative possibilities now. You feel very lucky and you are likely to be lax or extravagant with your money. Material benefits are, indeed, likely at this time, but beware of being overly generous or depending too much on Lady Luck.

May 30, 2004 11 PM(May 30, 2004 to May 31, 2004)

Conversations have a particularly emotional, intimate, or nostalgic tone. Sharing memories and reminiscences or discussing a very personal topic with someone you feel you can trust is likely now. You may have a significant communication (letter, phone call, or personal discussion) with someone who was once very important to you or with whom you have a long history. This is a good time to reflect, review, and get a perspective on emotional matters or things of the past.

June 1, 2004 3 AM(May 31, 2004 to June 2, 2004)

Sun Trine Ven

Giving and receiving appreciation, love, and happiness come into your life now. You are moved to express your affections more openly than usual. You also want to be surrounded with beauty and harmonious people, and your artistic efforts flourish.

June 1, 2004 3 PM(June 1, 2004 to June 2, 2004)

Merc Quonx Jup

Your choices and decisions may lack prudence, realism, or sound judgment right now. Be wary of overly optimistic plans which are presented to you, signing contracts without doing thorough background work or reading the fine print, or promising something which will be difficult for you to fulfill. Questions of honor, ethics, law, or morality arise in your mind at this time.

June 1, 2004 9 PM(May 31, 2004 to June 2, 2004)

Sun Sxtil Plu

There are opportunities for deep sharing and powerful, meaningful contacts with others, especially people who share common goals or ideals. An opportunity for a leadership role is also likely.

June 2, 2004 (Apr 12, 2004 to July 11, 2004)

Plu Oppos Ura

Rebelliousness and independence are the key issues for this time period. You are impatient and rather reckless at times, and you make abrupt changes in your life. You feel as if you have been following the crowd too long, and you now seek a more spontaneous, responsive, and creative life style. You are also likely to become involved in some form of social activism. You are particularly rebellious against any form of social repression or abusive authority.

You are rebellious towards people in your personal life, as well as towards society in general. You are likely to feel that someone else is dominating your or manipulating your life. This is the time to become free from this restriction, so confront this problem now. However, try to be polite, respectful, and to communicate openly as well, as you tend to be explosive and inclined to make a sudden "change in policy" without any explanation. Others may rebel against you also. This is a time when there is an impetus towards greater freedom in relationships, regardless of the source or nature of the restrictions.

This is a period in your life when you should be breaking free from old habits, and becoming much more spontaneous and lively. You can discover new creative abilities and learn to improvise more. This is an excellent time to explore new creative outlets, particularly ones that require greater spontaneity or improvisation. A youthful spirit of freedom and spontaneity is trying to come forth now. However, be wary of a tendency to pursue some area just to be different. Like a youngster who tries smoking cigarettes just to be different and to rebel against his/her parents, you may pursue alternatives simply because they are expressions of being different and rebellious rather than because of their intrinsic worth.

Some people experience major unexpected, sudden changes in their lives during this astrological influence, even if they did not plan the changes or consciously initiate them. Be prepared for sudden shifts in your life (moves, job changes, etc.). They will not necessarily occur now, but the probability is higher than usual.

You are craving emotional excitement, stimulation, and something new and alive. This is a time for music, dancing, and being joyfully spontaneous. Your social inhibitions are loosened, and you may be tempted to have a wild flirtation or to act in a rather reckless way in a relationship.

Your mind is serious and you are able to concentrate on work that requires patience, attention to detail, and precision. Practical concerns dominate. It is a good time to learn practical skills, do your taxes, organize your files, and take care of business. You'll want to avoid light social conversation or trivialities that distract you from your work.

June 7, 2004 (June 6, 2004 to June 22, 2004)

Merc 9th H.

This is a good time to plan or take a journey to a distant land. Travel and exposure to new ideas and ways of thinking about the world interest you now. You may meet and learn from someone from another culture or with vastly different beliefs and experiences than your own. Philosophical discussions or studies are also on the agenda. You're thinking about the "big picture" rather than the mundane circumstances and details of your life.

Communications are excellent now. You come across clearly and present yourself articulately. Public speaking, interviews, and other transactions with the public are favored. Conversations you have at this time go smoothly, and an agreement can be reached.

You are inspired creatively, artistically, or spiritually at this time. Your imagination, intuition, and psychic sensitivity are high now, and you find yourself wanting to paint or listen to music, daydream, or fantasize rather than concentrate on practical matters.

A nonstop flow of communication between yourself and the people in your immediate environment is likely today. You may feel overly sensitized to your environment, unusually discontented with the mundane aspects of your life, or just plain confused at times. You feel as if you are in transition, yet the changes are elusive. Avoid mind-altering or mood-altering substances now; they can further imbalance you. Your nervous system is sensitized now, and you may find yourself feeling jittery and over-stimulated. Caffeine or other stimulants may need to be reduced or eliminated, and times of quiet, with no input from electric or mechanical devices, television, radio, cars, etc., would be beneficial.

You are apt to have sudden intuitions and erratic bursts of insight and get excited over ideas and concepts which present themselves to you. However, you need to avoid jumping to conclusions or acting too quickly on ideas without adequately considering or testing them. Speed is a trap for you now. If you slow your pace and do not get too tense or ungrounded, at least a few of the concepts or intuitions are apt to be fruitful. Insomnia can be a bit of a problem now too.

You are inclined to take physical risks, gamble, speculate, and to act on faith and belief in yourself. This can, in fact, be a very productive time for you if you can keep your expectations within reasonable bounds. Beware of overexerting yourself.

Feelings and emotional issues which you never realized you harbored are apt to be triggered, especially in your female relationships. Acknowledge whatever feelings or sensations well up, no matter how seemingly irrational or inappropriate. While you need not act on them, you need to feel them. This is a healing process if you don't resist or force them down.

Serious health challenges could arise, particularly if your past griefs and wounds have not been properly attended to. A need for nurturing, care, support, and tenderness which has been ignored can manifest as an illness.

Family relationships or conditions in your home require major work, revisions, or repair. There may be some unsalvageable relationship or situation which will simply need to be relinquished. Damage to or destruction of your home is a possibility, especially if neglect has occurred. Do what you can to rebuild or revitalize your living space.

This is not the best time to schedule any activity that calls for tact, diplomacy, or caution, as you are inclined to be extremely straightforward, direct, and to the point in all of your interactions. You say exactly what you think, and in fact are even inclined to be verbally aggressive, pushy, or perhaps sarcastic. Your mind is very sharp now, so this is a good time to "attack" intellectual or mental work.

Your feelings for friends and your emotional responses to life in general are deeper and more intense. The need to share, to give and receive love, and to be accepted and wanted is very strong. You have an opportunity now to see what keeps you from being really close to others - perhaps a forgotten hurt or hidden resentment - and to rid yourself of it by bringing it out in the open or simply releasing it.

July 11, 2004 1 AM(July 10, 2004 to July 12, 2004)

Merc Sxtil Ven

There is a friendly, cooperative, harmonious tone to the interactions you have now. It is a good time for social activities and for getting in touch with friends. At this time you can become obsessed about getting rid of something, and you could undertake major revisions and changes -a complete overhaul in some area of your life. You are forceful and can drive yourself too hard and overtax your physical and emotional reserves. Though you may have the best of intentions, you tend to act very compulsively, working furiously toward some goal which you may not even be completely aware of. Your secret need for power or control emerges now, and power struggles are very possible.

Sudden reversals of decisions, unexpected changes in plans, and friction with others that leads to erratic action on your part is indicated now. Accidents or traumas due to outbursts of anger or to brazen recklessness need to be guarded against. Take it easy, slow your pace, recheck safety precautions. You can avoid much of the strife of this time period if you regularly exercise or work out, preferably on your own. Interactions with others, males in particular, can lead to trouble for you at this time.

You are optimistic and possibly extravagant now. You are less cautious than usual, feeling that nothing can possibly go wrong. If you are inclined to overindulge, overspend, or go to excesses in any manner, this tendency is exaggerated at this time.

However, you also aim higher than usual and a very promising opportunity or contact can also occur.

July 17, 2004 7 AM(July 16, 2004 to July 18, 2004)

July 24, 2004 1 PM(July 23, 2004 to July 25, 2004)

Sun Conj Sat

You are serious and disinclined to frivolous or inconsequential activity. It's a time best spent working alone, structuring and organizing your life in some way, and focusing on whatever tasks (however distasteful or tedious) that you really need to do. You feel like withdrawing from people and find social situations unfulfilling or wasteful. Your vitality and your spirits are somewhat dampened.

July 25, 2004 10 PM(July 24, 2004 to July 27, 2004)

At this time you are prone to irritability, temper tantrums, and flying off the handle for slim reasons. You are also impatient and inclined to rush unnecessarily, which can cause accidents or bruised feelings on the part of the people you live with or work closely with. You are in a fighting mood and stand up for your rights more readily than usual, but beware of the tendency to be abrasive and insensitive.

Physical thrills and excitement have a strong appeal for you now, and you want to do something new and out of the ordinary. You also have a lot of energy and quick reflexes. A vigorous game of racquetball or tennis or some other fast-moving competitive sport would be a good outlet for you now. Acting on your spontaneous impulses and following through on some of your more unusual or "crazy" desires will yield surprises, mostly positive.

Ura Trine MC

Exciting developments in your career make this time period a very positive one. A jolt of enthusiasm and vitality into your work picks up your spirits and gives you much to be excited about. Now is the time to seek out more creative outlets, more exciting and interesting work. If your current work is boring and tedious, now is the time when you can break free from this inertia. The improvements may come in the form of promotions that provide greater freedom and creativity, transfers to a more liberal and progressive area, or a complete job change. Search out opportunities for more interesting and exciting work because the benefits do not always fall in your lap. Sometimes the opportunities can be very close at hand if you just avail yourself to them.

This is a lively time for you when you discover new ideas and encounter situations that provide you with new perspectives and experiences. You will frequently feel the impulse to try something new, whether it be a sport you haven't played before, a person or family you would like to get to know better, visiting a place you haven't seen before, going to a new kind of restaurant, or learning about a subject area that is new for you. Whether seemingly insignificant or not, follow your impulse to explore new alternatives now because they open new doors.

Note that the precise timing of this astrological influence is very dependent on the exact birth time, so the dates given are accurate only if your birth time is very accurate.

The world of imagination, fantasy, art, music, or mysticism is very appealing to you now, and if you have talent in any of these areas, this can be a creative and fruitful time for you. However, the negative possibilities for you now are being undisciplined, slack, indefinite, or wasting time and energy.

July 30, 2004 1 AM(July 28, 2004 to July 31, 2004)

Ven Trine Jup

Emotional well-being and contentment characterize this time period. You feel quite relaxed and carefree, and this would be a splendid time for a vacation. Laziness, self-indulgence, and expecting everything to work out well with no effort on your part are negative possibilities now. You feel very lucky and you are likely to be lax or extravagant with your money. Material benefits are, indeed, likely at this time, but beware of being overly generous or depending too much on Lady Luck.

Aug 3, 2004 6 PM (Aug 2, 2004 to Aug 4, 2004)

Sun Conj Plu

Something which has been lost or hidden may come to light now. Secrets, long-buried feelings and desires, or skeletons in the closet could be revealed. This is also a time when you can easily go to extremes. You become deeply involved in, and even somewhat obsessive about, whatever you are doing. Driving yourself beyond your limits can be destructive now.

Aug 3, 2004 11 PM(Aug 2, 2004 to Aug 5, 2004)

Mars Conj Sun

You experience a burst of energy and are more vigorous, bold, assertive, and impatient at this time. You feel ambitious and capable of doing a lot and meeting challenges successfully. However, if your will is blocked, you become quite angry now. You are less willing to accommodate others and meet people halfway. Your ego-drive and competitiveness are very strong.

Aug 4, 2004 (July 27, 2004 to Aug 12, 2004)

Sat Sxtil Moon

You are feeling at peace and very good about yourself now. Others express appreciation for the help and support you have given them, which makes you feel that your efforts have been worthwhile. Your daily life and activities run smoothly and everything is in good working order. You are particularly well-organized now and your domestic life is harmonious.

You may decide to invest in real estate, make improvements in your home, or make other long-term investments. These are wise and sound decisions that will provide security for the future.

Cooperation and teamwork among family members, friends, and members of an organization or club are excellent now, and a successful collective accomplishment is also likely now.

This astrological influence is not extremely powerful, but does bring significant benefits, as described above.

Aug 8, 2004 (Aug 4, 2004 to Aug 11, 2004)

Merc 12th H.

This is a good time for quiet study and inward reflection. Your intuition and sensitivity to the hidden, behind the scenes aspects of a situation are operating strongly now. However, you are less inclined to speak your mind or take a definite stand on important matters. A wait-and-see attitude is likely to characterize this time period.

Aug 9, 2004 (Aug 4, 2004 to Aug 14, 2004)

Jup Trine Moon

Your mood is easygoing, agreeable, and tolerant at this time. In fact, you may feel downright lazy! Lounging around at home and relaxing or perhaps unwinding at the beach or lake appeals to you. If you are normally very high-strung, then take advantage of this time to recuperate, relax, and rejuvenate. If you normally tend to be lethargic, then try to maintain at least a modest activity level by going for walks or bicycling, for example, during this time period.

At the least, this will be a pleasant time for you. Harmonious, pleasant relationships and surroundings seem to just "fall in your lap". Otherwise, the astrological influence at work here does not promise to make this a particularly eventful time (unless, of course, other astrological influences augment this one).

Aug 9, 2004 (July 7, 2004 to Sep 4, 2004)

Ura Qucnx Asc

The manner in which you present yourself and relate to others at this time may upset the status quo. You are remarkably more independent, rebellious, iconoclastic, or selfish. Impatient with endless compromising or accommodating others, you are apt to just do whatever you feel like doing! On the other hand, those in your immediate environment may be changing just as rapidly and forcing you to cope with some surprises or unexpected twists and turns. A general sense of excitement coupled with insecurity and uncertainty colors this entire time.

You suddenly may decide to relocate. Carefully check out this impulse because your discontent may not be eased by a change in locale. Relationships are prone to unreliability and breakups at this time, especially if you feel they are unduly restrictive.

Note that the precise timing of this astrological influence is very dependent on the exact birth time, so the dates given are accurate only if your birth time is very accurate.
