

## All about Your Birth Card

*Our Birth Card is our most important symbol of who we are in this lifetime. It is the card that we most identify with, and through which we have the greatest gifts to share with those around us. It is also called our Sun Card and our Soul Card.*

The Seven of Hearts Person

The Spiritual Love Card

The Seven of Hearts has a quest for the truth about love and relationships. They are old souls who have come here to reach the highest in these areas, 'or else'. With two nines in their Life Path, they have come to complete a grand cycle in their soul's work and to let go of many things so that they may progress to the next level. These people must learn to let go of personal attachments and give to others without expectation of return or reward. On the low side, these people can be preoccupied with many suspicions and jealousies, which is but a reflection of their own insecurities. On the high side, we find counselors and those who make great personal sacrifices for others and who give much to the world. All must find some way to give to the world to attain peace and satisfaction. This usually manifests as teaching or consulting.

The health should be watched carefully as these people bring into this life some past life karma that could manifest as health challenges. Whenever there is a problem, it either calls for a change of lifestyle or a need to let go of some part of it. For example, they might have to quit a certain job because it is just too stressful. Some of these unhealthy patterns will be difficult to let go of, but it is their destiny to do just that.

Part of their challenge is to balance out their desire for material success with inclinations towards fairness in all their friendships and relationships. There can be strong ambitions that conflict with the desire to maintain harmonious relationships at times.

Anyone born as a seven or nine must learn to give and let go or suffer great pain and disappointment. The Seven of Hearts are the givers of knowledge and love and can reach the highest.

Some of the Seven of Hearts Issues Concerning Relationships

The Seven of Hearts will often try to dominate or control their loved one and this usually will not work out well for them. Being such a powerful spiritual number, anything less than the truth and non-attachment will always cause more suffering than it is worth. They enjoy traveling with the person they love and can be somewhat restless emotionally. Love affairs can often start suddenly and end just as suddenly. They are quite sociable and charming. It is only in their closest relationships that they meet with the challenges. The male Seven of Hearts is aggressive in meeting new friends and lovers.

## All about Your Planetary Ruling Card

*The Planetary Ruling Card acts like a second Birth Card to give you a new slant on your personality and character traits. It is very important in terms of your personal relationships since it represents a part of you that you identify with strongly.*

### King of Diamonds as Your Planetary Ruler

This ruling card adds a lot of power to your personality making you someone to be reckoned with. Your power can be best expressed in a business enterprise where you have some natural abilities that make success almost certain. Be sure that you are the one in charge because this is where your real power comes through. This card gives you a lot of strength to overcome obstacles and to accomplish your goals. This same strength makes you stubborn at times. Because you are a self-made person, you tend to see things exclusively from your own point of view. You are powerful and others feel that power whether or not you are aware of it. You have leadership ability that magnifies when you are in positions of responsibility.

## All about Your 2nd Planetary Ruling Card

*The 2nd Planetary Ruling Card is only experienced by those of the Scorpio Sun Sign. It represents their 'working' ruling card. For most Scorpions, this is the card that they identify with most when it comes to day to day activities and experiences. The 1st Planetary Ruling Card, above, is the one to which they will aspire over the course of their life. It is their 'Phoenix Card' while this 2nd Planetary Ruling Card is their 'Scorpion Card.'*

### Jack of Hearts as Your Planetary Ruler

This ruling card accentuates the compassionate side of your personality, encouraging you to be selfless for those that you call friends and family. You may find that you go out of your way to help those in need. This card also brings a playful side to your personality. You probably like having fun at most of the things you do. However, the low side of the Jack of Hearts is that you can be stubborn at times and that you may exhibit some of the immature aspects of the Jack which is acting immaturely or irresponsibly in certain areas of your life - particularly romantically. You are capable of making great sacrifices for those you love and of dedicating yourself to a higher cause. In doing so, you could make a profound mark on the world.

Those who have inner fears about money will have their money taken away while those who have an inner sense of prosperity will experience great wealth. You will have to go within to meet any challenges you have in this area at this time.

Its Underlying Card

There will also be a focus on love during this period, and especially love of close friends and family. Your own family could be more or less a burden at this time. But at the same time you may achieve spiritual emotional freedom and release. This may be one of the most spiritual periods of your life. ## The Cards In Your Mars 13-Year Period

### Some General Information About the Mars 13-Year Period Cards

Your 13-Year  
Mars Period is from  
10/28/1981 till 10/28/1994

The Mars 13-Year period begins at Age 26 and ends when we turn 39 and enter our Jupiter period. It is during this period that our passions are expressed, when most of us begin working in life in a real sense, and when most of us work off a great deal of our past-life karma. Whatever really turns us on in life is explored during this period and the cards here will describe something about that, or how its expression is responded to by those around us.

Our Mars Cards indicate what turns us on and what irritates us. Thus the Mars period can have a lot to do with passion and competition. Most competitive sports figures make their mark during this period of life. Each of us will make our mark as well, exerting the power of our Mars card for better or worse. Since Mars governs sex this is a period when many will have children as a result of their passionate expression.

The Mars period is usually associated with work. In this case it represents putting our Mars energy to work. Your Mars cards may describe your approach to work or even what kinds of work you do at this time. The Mars period is one in which we try different kinds of work to see which fits us best. It is preparation for the coming Jupiter period, when our efforts are more financially rewarded.

### Your Thirteen-Year Jack of Hearts Period

Your 13-Year  
Mars Card

This powerful card is unique in many important ways that will cause this 13-year period of your life to be quite important. The Jack of Hearts is known as the 'Christ Card', or the 'Card of Spiritual Sacrifice'. It is a card of higher love. Whenever it is present, you will feel and be encouraged to elevate your relationship patterns to a higher level, perhaps to one where you are making sacrifices on behalf of those you love. This would likely be for the sake of someone younger than yourself though it can take other forms. This is a time of higher love for you and this could take many forms.

Your life is likely to be quite settled and strong at this time as well. The fixed nature of the Jack of Hearts says that changes will be less now and that may come as a relief to you, especially if you have just completed your 13-year Five of Spades period.

The Jack of Hearts may also signal a time in which you perform some work that can be described as a higher mission. You may dedicate yourself to helping others in one or more ways, something akin to a Mother Theresa act of kindness. This could even be a grand mission of some sort.

If you are a person whose Birth or Planetary Ruling Card is a Heart, this card can indicate your playing a Jack role for most of this period. That role would be creative, romantic, or in sales and promotions.

It is also quite likely that some Heart individual will play an important role in your life at this time. This is likely a younger male or a female whose Birth or Planetary Ruling Card is the Jack of Hearts. You may receive much help and inspiration from this person, or, if you are a female, you may have romantic interactions with this young Heart male.

In any case, this period will be one of inspiration and a lot of contact with higher love forces that will uplift your life to a love that is less attached and more giving.

## The Cards In Your Jupiter 13-Year Period

### Some General Information About the Jupiter 13-Year Period Cards

Your 13-Year  
Jupiter Period is from  
10/28/1994 till 10/28/2007

The Jupiter period of life begins at age 39 and extends until we turn 52 years of age. This period is largely associated with financial and other blessings. It is usually during our Jupiter period of life that we begin making the most money. It is sort of like the harvest season of our life. Your Jupiter cards may indicate what to expect during this period but they also may point to the means by which you will be most financially prosperous.

Finances in the Jupiter period should flow easily if we are in tune with a profession that is truly connected to what we love. If you are struggling during this period, it can only be because you are not doing work that you really enjoy. You might want to keep this in mind as you progress through it.

It is during this period that we experience our important 'cycle of reflection' which includes the Prebirth and Rebirth years of our life. The Rebirth year, or age 45, is considered one of the most important and fortunate years of our life. Seven years after it, we end our Jupiter cycle with the age 52, 'Critical Year' and begin our Saturn cycle. It is important in the Jupiter cycle of life that we open ourselves to the abundance of this world and let go of our struggling. For many, the Critical Year which ends our Jupiter period is the last opportunity to embrace a happy and prosperous life.

With this in mind, study your Jupiter Cards and see if they can help you access the bounty to which you are entitled.

### Your Thirteen-Year Nine of Clubs Period

Your 13-Year  
Jupiter Card

This can be a period of disappointment and loss or one of spiritual fulfillment. And how you experience it will be determined mostly by your level of spiritual awareness. Most people in today's world consider Nines to be the worst cards in the deck. This is because Nines represent endings and most of us do not like endings. But this card can also mean mental enlightenment. The Nine of Clubs literally means 'completion of plans or ideas'. When this card appears it will signal a time when some ideas, ways of thinking or communicating, or some personal plans of yours are ready to end. If you choose to resist this ending, you will experience great disappointment, stubbornly holding on to ways of thinking, ideas, beliefs, or plans that are no longer useful or helpful to you. If it seems that things are going against you when this card is present, it is probably because you are resisting letting go of some of these things, that in reality, are no longer serving your highest good.

On the positive side, you are ready to awaken to a new and higher way of thinking that will be better than you have imagined. The Nine of Clubs has been known to signal a time when powerful spiritual experiences may occur, such as universal consciousness, and also indicates the success of any endeavors that involve spreading higher truths to the world.

The underlying Queen of Hearts says that love, sex, family and children will also play prominent roles in your life at this time. You could even experience a 'love of a lifetime'.

## The Cards In Your Saturn 13-Year Period

### Some General Information About the Saturn 13-Year Period Cards

Your 13-Year  
Saturn Period is from  
10/28/2007 till 10/28/2020

The Saturn period of life begins with the important age 52, Critical Year. If we have embraced the abundance of our Jupiter cycle, there is no reason to expect Saturn to be anything but more success. The Saturn period is usually considered to be the last really active period of life. Many who have had career ambitions throughout their life will realize their dreams and be recognized for their contributions during this time. Saturn governs the highest house in the zodiac and thus can bestow recognition and reward upon us. Your Saturn card may describe just what you are 'known as' as you complete your life's work. This is not to say that all complete their life's work in Saturn. But it is common for people to move on from a working life to one of other pursuits during this cycle.

Saturn is the great teacher and the Lord of Karma. But usually by our Saturn period of life we have learned his lessons and are ready for his rewards. These consist of ease of life and the wisdom to sustain it on a daily basis. However, it is usually during our Saturn period that health matters assume more prominence for us. Though some may encounter them earlier, most everyone will be reminded that we do not live forever during this cycle of our lives. Thus, in Saturn, we must continue with his disciplines, but now those disciplines will be more directed towards keeping healthy as our bodies decline.

Your Saturn cards described here will tell the story of your Saturn period of life. Remember that even difficult cards can signify good things in Saturn when we have heeded his lessons throughout our lives.

### Your Thirteen-Year Nine of Spades Period

Your 13-Year  
Saturn Card

During this 13-year period you are likely to experience some significant losses in your life. These may be events that seem like tragedies to most people. And you will have to be prepared to give up most anything that God may seem to demand of you now. This is probably the most powerful card of endings in the deck of cards. But the endings that it brings are also blessings in disguise.

The Nine of Spades can be a card of loss and disappointment. However, the true nature of the card reveals that its presence in your life for any period of time does not have to be a disaster. In actuality, the Nine of Spades represents making a completion of some importance. Whether this is the end of a certain occupation, way of life, the loss of certain important relationships, or the ending of a way of being in regards your health and body will depend upon the position of the card and the circumstances in your life during this period. But rest assured that some important aspect of your life is coming to an end when this potent card shows up.

This card encourages us to let go. And as human beings we tend to resist letting go in a big way. But letting go is often exactly what is needed to get us to a better place in our life, even though we do not know that at the time. Powerful spiritual experiences may occur during this time to show you that everything that is happening is for a divine and good purpose. And some people will achieve important goals in spiritual work with this influence.

The underlying King of Hearts points to an important person in your life, usually a kind hearted man who will guide you. For women, this card can also represent a lover or husband.

## The Cards In Your Uranus 13-Year Period

Your 13-Year  
Uranus Period is from  
10/28/2020 till 10/28/2033

### Some General Information About the Uranus 13-Year Period Cards

Uranus and Neptune are the spiritual periods of our life. The dates for their beginning and ending vary quite a bit and depend upon factors such as how long we live and the quality of the life we have lead up to their beginning. But, in general, these are the periods where we retire from actively working and pursue other interests. Some will pursue spiritual goals exclusively, especially in the Neptune period. But some will mover towards political and social goals in the Uranus period as well as spritual pursuits.

The Uranus period is usually about connecting with our spiritual family. It is usually in this period that we choose a religion, if we haven't already. We become more active in our chosen groups during both these cycles as we prepare a place for ourselves in the life hereafter. Your particular group may not be a spiritual group per se, but it will be one to which you feel that you belong on a deep level.

These periods should provide us with the freedom to explore the deeper meanings of life. And many of us will have profound spiritual experiences and revelations during these periods. As a result of the wisdom we have gained, we are able to lead a happy life with minimal effort and strain. We become like a gentle breeze flowing through the trees. And life can be quite delightful as we grow closer to God. Many will hear Him and feel more attuned to Him and His creation during these cycles of life.

### Your Thirteen-Year Two of Hearts Period

This period of your life will bring a focus on relationships but especially relationships of the heart. If you are a Nine of Spades person, this time will be one of close childhood friendships and relationships with your family. Otherwise you can expect this to be a time of focus on love affairs and/or children. The Two of Hearts literally means a 'union of hearts'. This is the card of 'the lovers' but speaks also of your other close relationships, including family members, dear friends and children. As the card of 'the lovers', however, this card speaks of finding the most ideal love partner - the romantic ideal that most people dream of, but rarely find.

Its Underlying Card

This card brings a focus, though not necessarily fulfillment, with these closest relationships. However, it does portend that the liklihood of your having such a relationship, or more than one of these, is very high. Keep in mind that this card is part of your Life Path Cards. It speaks to a certain part of your personality. It might even be your Planetary Ruling Card. In either case this will be a time when the love of relationship takes form in your life and when you experience the ups and downs associated with finding the perfect friend or perfect love.

### Your Thirteen-Year King of Hearts Period

Being one of the more important 'archetype cards' in the deck, the King of Hearts has many important meanings and possible areas of expression. On one hand, it is the highest card in the suit of love, and rules through love, compassion and wisdom. He has all the power and knowledge of love and knows how to use it, thus when this card appears, it gives you the opportunity to have more control over your feelings and romantic impulses. This will bring more success in all your personal relationships. He is the King of Love and the King of Relationships. Mastery of all relationships is indicated.

For men, this is also the card of the loving father and of sexual enjoyment. Thus, it can indicate the conception or birth of a child or children and fulfillment of romantic desires. Playing the role of father or lover is highly emphasized now, especially if your Birth or Ruling Card is a Heart.

For ladies, the King of Hearts represents the perfect lover or companion and so it often indicates having an enjoyable sexual relationship or in some cases, marriage.

For all, this could mean a significant relationship with a King of Hearts-type person. This person may or may not actually be a Heart but they will be fatherly, kind and powerful and play an important role in your life.

The underlying Two of Clubs says that you may be more argumentative and even fearful during this period. But it also bestows mental genius and precision. Overall this is likely to be a very nice period of your life.

## Auspicious Events Occuring from Ages 48 to 48

Each year most people's Birth and Planetary Ruling Cards move to a different location in what we call the Grand Solar Spread (pictured below). Each position has a unique significance and is described in the section about the Displacement Card. However, some of these positions are more significant and represent times in life when special events will occur. There are also special events determined by our age and by certain cards that fall into prominent positions in our Yearly Spreads. This section of your report will define what, if any, of these auspicious events will occur for you this year. The text given further emphasizes their unique importance in the overall fabric of your cards for this time of your life.

### About Your Auspicious Events Report

For each of us, there are certain years of our life in which significant events can be predicted and explained using the Science of the Cards. These are events that occur for everyone, but at different times for each. This report will check for and tell you about any Auspicious Events that will be occurring during a range of years specified by the person creating this report.

There will be years in which there are no Auspicious Events. You should be aware of this or you may feel that there are pages missing in your report. Not every year has a significant life event transpiring in it.

Also, this report checks for Auspicious Events for only your Birth Card and Planetary Ruling Card, if you have one. It does not check for auspicious events in your Personality Cards or any other personal signifiers as these have not been found to be consistently significant or accurate.

Some Auspicious Events occur for everyone at the same age of life. These include such events as the Prebirth and Rebirth years and the Critical Year. Others occur a different ages for each card and some of these are extremely significant and powerful. Some bring blessings and gifts while others are reason for caution and care as negative experiences are highly likely. Some bring fame and fortune, others, endings or changes. Knowing ahead of time which influences are present for you allows you to take fuller advantage of them. It is akin to driving at night with your lights on - you can see what is coming and make corrections in your path in order to make your journey more successful. Use this report to take full advantage of the influences coming for you.

THE LIFE SPREAD

## Auspicious Events Occuring at Age 48

Each year most people's Birth and Planetary Ruling Cards move to a different location in what we call the Grand Solar Spread (pictured below). Each position has a unique significance and is described in the section about the Displacement Card. However, some of these positions are more significant and represent times in life when special events will occur. There are also special events determined by our age and by certain cards that fall into prominent positions in our Yearly Spreads. This section of your report will define what, if any, of these auspicious events will occur for you this year. The text given further emphasizes their unique importance in the overall fabric of your cards for this time of your life.

You can find your True Purpose this Year

There is at least one occurrence of a Six card in your reading in a prominent position (Long Range, Pluto, Result, Environment or Displacement). This might be in either your Birth Card Spread, or your Planetary Ruling Card spread. Either way, this gives you a special opportunity, but one that is only taken advantage of by those who are aware of it. Sixes give us an opportunity to discover what our true purpose is for our life. Most people search their entire life to discover what their life is about and whether or not they have some special purpose or goal that they are to achieve during their time here on the planet. Many never find this purpose at all. Because of the presence of a Six card in a powerful position this year, you will have a special opportunity to discover what your purpose is. Of course, this only applies to you if you have the desire to know. If you are not that interested in knowing more about your life's direction, this will probably manifest itself as a year of steady progress towards existing goals.

Sixes can be frustrating as well because they often represent static and unchanging conditions in our life. However, they also bestow upon us a special ability to perceive that which is usually hidden from our conscious minds. By listening to our inner voice, we can receive great inspiration and direction when these cards are present and you have at least one of them for this entire year. If you have more than one Six in a prominent position in either your Birth Card or Planetary Ruling Card Spreads, then this message becomes even more significant.

Study any and all Sixes that you find in these prominent positions this year, along with other Sixes that appear in your Yearly Spreads. They will reveal much about the special destiny that is coming your way. Good luck on your path to inner discovery.

THE LIFE SPREAD

## *Auspicious Events Occuring at Age 48* (continued...)

This is a Major Completion Year for You

Because you have a Nine card in a prominent position this year (Long Range, Pluto, Result, Environment, or Displacement), we know that this will be a year in which you achieve an important ending in your life. This Nine may occur in either your Birth Card or Planetary Ruling Card Spread. Endings can be seen as disappointments if we disregard their true meaning. In truth they represent graduations from chapters of our life that were important, but are now no longer helpful for our personal growth and development. What is also beautiful about endings is the wonderful freedom we feel after we have passed through it and are on to our next stage of work and development.

Whatever the nature of the endings in your life this year, be glad that you have reached the point in your development that you are ready to move on to better things and relationships. We are often afraid to let go of things that have become so familiar to us. Sometimes we are not even able to see that these things are no longer of any real use to us. Rest assured that this is the case for you. You are ready to move on and by this time next year, you will be in an entirely new and better place for your personal and professional development and expansion.

If you have more than one occurrence of a Nine in these prominent positions, the significance of this completion year becomes even greater and the stronger the likelihood that many areas of your life are coming to an end in preparation for a new phase of development.

Study whatever Nines you may find in your Yearly Spreads carefully. Each one will reveal the specific areas that you may be encountering some important completions.
