Astrological Compatibility

Astrologically, each individual is represented by a chart of the planets and houses at the moment of his birth. By comparing and contrasting the interrelationships of two separate charts, the astrologer can reveal the many ways and many levels that two people relate with each other. This is the astrological art of synastry as it has been practiced for several thousand years. This report analyzes each of the two selected charts and interprets the astrological connections between them. The charts' data, along with planetary positions and house cusps, are printed on the previous page. There are four possible sections to this report, two for each of the charts. Any one of them, or all four of them, will be included here depending on which were requested. For each individual the two possible sections are: 1) How this person approaches relationships. This section considers only the one chart, and is appropriate for all relationships this individual makes. 2) How this person relates specifically with the second person. Here each paragraph interprets a contact between the two charts from one chart's point of view. The text here pertains to this one relationship only, and should be understood in light of the actual nature of the relationship. Remember that every relationship contains points of similarity and harmony as well as points of conflict and discord. Through understanding, it is possible to cultivate and encourage the positive and harmonious, and keep relationships growing and fruitful through the highs and lows of the passing years.

Report for Paul Newman How You Approach Relationships

Who would expect from your dignified and staid manner that you require so much mothering from a partner? Your natural business sense and conservative nature in general might point to your hooking up with a real no-nonsense and even cool type. Not the case. You are attracted by feeling and emotional types, and a good strong display of emotion never put you off, although you may prefer it in the privacy of your home. You find it hard to be demonstrative, yet you love to be cared for and even babied.

Cancer on 7th Cusp

You need lots of love and attention, and you don't mind being mothered a bit, either. You like partners who are emotionally sensitive, supportive, and nurturing. A bit of mothering goes a long way with you.

Moon Ruler of 7th

If there is one area of your life where you really let yourself go, it's relationships. For you, there is none of this 9-to-5 stuff when it comes to love. You want your love life full of dreams and very imaginative. You have a calming effect on your social group, which tends to include friends capable of joining you in your high flights of fancy. Need we say that you are a dreamer, and by the same token you might slip into gullibility and lose more than one possible partner through woolly-mindedness on your part. Not everyone is as out-of-this-world as you are. You love to take in a movie with friends and lose yourself in unusual conversation. You are drawn to film, theatre, and fantasy, as well as the occult.

Neptune in 7th House

Report for Paul Newman Strengths in your relationships

You can't help but think in an organized way, and you are a stickler for routine. You love it. You probably have a scientific bent, for your analytical abilities are first rate. You love first principles and getting down to the bare bones of a subject. Mathematics and all things technological are a snap for you. You have great mental endurance and probably have done more than your share of studying. So serious.

Mercury Sextile Saturn (orb: 00 23')

You dote on responsibility, and love to bring order and discipline to anything (or anyone) you are involved with. You wouldn't be caught dead in an extravagant display, not because you are a cheapskate, but because of your natural love of thrift and economy. Family and loved ones get first class care and service. Others will value you for these qualities. You probably love to work.

Venus Sextile Saturn (orb: 00 42')

You love to talk and write, and you probably do so beautifully. Your sense of color, harmony, manners, and all that is artistic, is beyond reproach. You know quality, and people love to let you pick out art or arrange color schemes for them.

Mercury Conjunction Venus (orb: 01 06')

You are, from time to time, really inspired to the point of moving others with your enthusiasms. You exercise an almost hypnotic quality over those who listen in when your imagination takes over. Dreams, psychology, and all things occult and metaphysical are your especial province. You're never afraid to take the plunge when matters of idealism or imagination come to the fore. You feel and experience the unity of life -- that we are all in some way, one. Others sense this about you.

Mars Trine Neptune (orb: 02 01')

You are a great problem-solver, and can always think of a way to do almost anything. Your friends know you to be fair, and your integrity is unquestionable. You may find yourself interested in legal matters, publishing, philosophical and religious subjects, and would make a good teacher or instructor. Scientific investigation would interest you.

Mercury Conjunction Jupiter (orb: 04 27')

You value independence in others, especially a lover. They must have some unique quality for you to take an interest. Your taste in friends runs to the unconventional. You appreciate variety in all things and are delighted when a partner comes up with a new and different way to get your attention. You don't like to be tied down. You probably have a penchant for inventions, electronics, and new-age technology.

Venus Sextile Uranus (orb: 04 39')

Good things tend to come your way, and you could end up with a lot of money, property -- possessions of all kinds. You are by nature generous, and probably give as much as you get. There could be a love of travel and exploring, finding your own way through life. You tend to appreciate authority, your elders, and conservative values. Others will value you for your

warmth and openness. You are quite fortunate.

Venus Conjunction Jupiter (orb: 05 33')

Report for Paul Newman Challenges in your relationships

You may have a tendency to poke your nose into others' business. You can't resist, and yet you're often afraid of what you'll find. Skeletons in the closet and sensitive areas of people's lives both fascinate and terrify you. You have trouble just coming right out and dealing with a touchy subject. It puts you through too many changes. You would rather snoop around.

Mercury Opposition Pluto (orb: 01 17')

Power struggles are no stranger to you. You tend to put off confrontations until they build up and then explode, kind of like having your own built-in volcano. You probably have considerable emotional tension and a strong sexual drive. Your flair for secrecy could find you with more than one lover, several affairs.

Venus Opposition Pluto (orb: 02 23')

Often, through no fault of your own, you find yourself at odds with authority, the law, and conventions in general. Maintaining a good self-image may be difficult. There is a tendency to leave things unfinished, or to not do a thorough job. Success for you comes thru hard and precise work. You need a partner who will work with you while you find your own way.

Sun Square Saturn (orb: 07 40')

Report for Paul Newman Your Relationship with Joanne Woodward

You knew from the moment you met her that here was a person who couldn't help but be supportive to you. She approves of almost everything about you. At times this could get a touch claustrophobic, but if you need a boost, here is a good partner. Because she is so indiscriminating, the temptation is to add her to your fan club, which negates the value of this support. Everyone enjoys being a hero once in a while.

Her Moon in Your First House

Joanne is, above all, very supportive. If you have been looking for a genuine response to your special qualities, this should be it. Upon meeting her, you felt an instant trust and enjoyed a rare sense of security. She responds to you with warmth and appreciates who you are. It's the next best thing to having a mother! she may have a beneficial effect on your finances and resources too. She has a real instinct for handling money. In addition, other financial benefits may come to you through Joanne.

Her Sun in Your Second House

You like the way she thinks. Meeting her was probably easy, and you were able to talk right from the start. You find that she likes to talk about you and how you are, without your having to feel vain or egocentric. You enjoy this. Others may tend to see you as two of a kind, as much friends as lovers. There is a real potential for partnership here. Since the communication lines are always open, you could team up on a project involving speaking or writing -- something intellectual.

Her Mercury in Your First House

She feels that you are special and seeks to encourage you. You both share a sense of value and worth, and she probably appreciates your position in life and possibly your resources. She will want to give anything she can to help you, and this could take the form of gifts, monetary support, etc. She knows the value of money and will always seek to strengthen and multiply any resources you may have. There is a sense of shared values.

Her Venus in Your Second House

Joanne is nothing else if not stimulating, and she may be downright challenging or irritating at times. It all depends on what mood you're in. If you need a boost, a little competition, then she is tailor-made for the job. If things are already hectic, then you may not enjoy the ride. There is the potential here for a good sexual relationship too.

Her Mars in Your First House

Joanne tends to lead you out of yourself, and urges you to make greater efforts, to reach out and express yourself. You may overdo. Certainly she is a key person as regarding how you view and feel about yourself. Through her you have come to experience more confidence and happiness. You are proud to be with her and, most of all, she is just fun to be with. Children and animals are two things you share. There may be a tendency to spend all at once. You feel creative and artistic around her.

Her Jupiter in Your Fifth House

She seems to be very hard on your sense of altruism. Your attempts to be charitable or to sacrifice may be played down or belittled by her. She won't tolerate your feeling sorry for yourself or for the state of the world. It could be difficult for you to feel philanthropic or kind when the two of you are together.

Her Saturn in Your Twelfth House

Communication with Joanne is stimulating and full of brainstorming and flashes of insight. She is an original thinker and always has a way to get a new slant on old problems. Her influence could affect anything you do in the way of thinking, speaking, writing, electronics, technology -- communications in general.

Her Uranus in Your Third House

There is a definite sense of mystery about Joanne. When the two of you are alone you get very close, exploring psychology and sinking into dreamy states that you can't find with others. Aside from the sensual aspects -- which should be very strong -- there is a sense of being initiated, of getting past some barrier, getting down to the real stuff. You feel so open with her, and she with you. Unless you are very careful, this is probably not the best relationship for business or financial matters.

Her Neptune in Your Eighth House

Joanne's influence could revolutionize the way you relate to other people -- your social life. You have found yourself re-examining ideas of marriage, social values, and relationships. She seems to exercise a strange power over you, and this was true from the very first time you met her. You may find yourself wanting to hide this relationship because you feel exposed. She is almost too personal at times. Knowing her amounts to a crash course in facing yourself.

Her Pluto in Your Seventh House

Report for Paul Newman Strengths in your relationship with Joanne Woodward

You can see and understand where she is coming from. You like her sense of values, and aren't afraid to tell her about it. She values you for your mentality and skill with words. She likes the way you think.

Your Mercury Sextile Her Venus (orb: 00 25')

Joanne is very supportive of your ambitions and drive. She urges you on to perform at your very best. There is a lot of energy between you, and this could be a very productive relationship for you both.

Your Mars Sextile Her Moon (orb: 00 31')

Lovebirds! There is real mutual admiration between the two of you, and you work well together. This would hold true of a business as well as a love relationship. Essentially this is due to a sense of shared ideals and values. You appreciate the very same things in life.

Your Venus Sextile Her Venus (orb: 01 31')

Joanne may be one of your most valuable assets and have a great influence on your career and life direction. Through her support you may succeed in finding solutions to many a problem. You work well together and would make good partners.

Your Sun Trine Her Jupiter (orb: 01 31')

You both have an understanding that she is a little different and likes her independence. This is not a problem. She brings some excitement and adventure to your life, and may be restless and on the go. She may introduce you to unusual friends and situations.

Your Sun Sextile Her Uranus (orb: 03 28')

Joanne may be a real help when it comes to disciplined thinking, mental organization, and study in general. You are able to talk about her problems easily. You are able to put into words situations in which she finds herself.

Your Mercury Conjunction Her Saturn (orb: 03 40')

You have a natural appreciation for her problems and are probably very understanding with her. You may love her sense of organization and self-discipline. You may be a trifle undemonstrative when you are around her, a little too sober perhaps.

Your Venus Conjunction Her Saturn (orb: 04 46')

You find it easy to talk to (sometimes at) Joanne, and you think about her a lot. She encourages you mentally, and may support some communication project you are involved in -- speaking, writing, etc.

Your Mercury Sextile Her Sun (orb: 05 24')

You are always 100% behind Joanne. You would make a great campaign manager, and this could also be a good business partnership. You can't help but be supportive of her needs, and she feels that she can always count on you.

Your Moon Conjunction Her Sun (orb: 06 15')

She has a way with words which you find flattering and interesting, since the subject is

often you. She loves to talk to you and may also write you letters. You find her stimulating mentally, and communication is most often smooth.

Your Sun Conjunction Her Mercury (orb: 08 04')

There is real mutual support here. You tend to have similar emotions and are very understanding of each other's feelings. If anything there might be too much of a good thing, and you could get bogged down in the relationship. For the most part though, this is a very nice state of affairs.

Your Moon Conjunction Her Moon (orb: 08 32')

You understand her emotions and like the way Joanne feels about life. She can really move you to take action and accomplish things. There could be a shared love of sports, even a competitive feeling. This could be a long and romantic relationship.

Your Sun Conjunction Her Mars (orb: 09 53')

Report for Paul Newman

Challenges in your relationship with Joanne Woodward

You won't support what you feel are unrealistic notions and fantasies on her part. Her escapism does nothing for you. You feel she should learn to be more down to earth and practical. There can be much disappointment, and possibly deception, with this combination.

Your Moon Opposition Her Neptune (orb: 00 24')

You can't appreciate her continual need for self-analysis and confrontation. She never seems happy unless she has reduced every meeting to its lowest common denominator. She may go against all that you hold dear, and drag you through scene after scene. A problem.

Your Venus Opposition Her Pluto (orb: 03 15')

Her unconventional manner may irritate you. You may feel she is just being different for the sake of being different. There could be sharp words between you, or you may find it fruitless to discuss certain subjects with her.

Your Mercury Square Her Uranus (orb: 03 49')

There may be some problems due to a lack of communication. There is an unwillingness on your part to discuss Joanne's changes (what she is going through). You may prefer not to comment on sensitive issues, instead of the constant rehash. The resulting confrontations may be hectic and intense.

Your Mercury Opposition Her Pluto (orb: 04 20')

You may not appreciate her sense of independence, always having to do something different and unusual. You don't like surprises. It may go against your own set of values and thus be a cause for dissension.

Your Venus Square Her Uranus (orb: 04 55')

Joanne may feel that she doesn't have your support when it comes to matters of career and life direction. There may be hard feelings. You may find the decisions she makes upsetting to you emotionally. Her basic philosophy of life can sometimes be at odds with the way you are feeling.

Your Moon Square Her Jupiter (orb: 05 53')

Power struggles are likely, as well as harsh feelings. Your drive and ambition may tend to ignore her need for confrontation and analysis. You may refuse to face sensitive issues. This is a very emotional, and possibly explosive, relationship.

Your Mars Square Her Pluto (orb: 05 59')

Report for Joanne Woodward How You Approach Relationships

You, who are so power oriented and commanding in tone, have a greater need than most for love relationships. Who would guess that you like your lovers anything but aggressive? You need your lovers to be accepting, even at the risk of being on the dull side. Your relationships tend to be long-term, conservative, and quite stable. Your partners often have money, property, and tend to be quite possessive of your attention. Your emotions run deep and you can be fiercely jealous. You bury yourself in your relationships. Only your lover knows how vulnerable you really are.

Taurus on 7th Cusp

With you, good looks count a lot. You like partners who are charming, refined, and appreciate the better things in life. You may depend on them for appreciation and love, and you probably share the same set of values. They tend to dote on you, and you like it that way.

Venus Ruler of 7th

Without a partner your career may tend to flounder, so it's not likely you will live the single life for long. With you, it's a question of getting in a good relationship and then concentrating on being a success story, and not vice versa. You need a partner that will cheer you on in your work, or at the very least not stand in your way. There is also a tendency to attract people of some stature as friends, with the result that you tend to know the top professionals in your field or social group.

Jupiter in 7th House

Report for Joanne Woodward Strengths in your relationships

A real love of science and natural laws. You are a hard and tireless worker with absolute determination and the ability to carry great projects through to completion. Always the protector to all those you come to know, you tend to have long and secure relationships. Since you are a natural conservative, those older than yourself (authority figures) tend to benefit you.

Sun Sextile Saturn (orb: 01 45')

When it comes to self-expression, you are a natural and can always put what you feel into words. Your mind is quick and tends not to get bogged down in emotional issues. You would do well in any of the communication fields, and are an excellent speaker. People find it easy to get a sense for a subject when you put it into words. You write well.

Mercury Conjunction Mars (orb: 01 49')

You dote on responsibility, and love to bring order and discipline to anything (or anyone) you are involved with. You wouldn't be caught dead in an extravagant display, not because you are a cheapskate, but because of your natural love of thrift and economy. Family and loved ones get first class care and service. Others will value you for these qualities. You probably love to work.

Venus Sextile Saturn (orb: 03 15')

An original thinker, perhaps an inventor. You have a very sharp mind, capable of real insight. You are always thinking of new ways to do things or a new use for something. You are great at finding solutions for existing problems where others have run out of ideas. Almost anything can be turned to an advantage, once you put your mind to it. Communication of all kinds, especially computers, electronics, and the new technology, is right up your alley.

Mercury Sextile Uranus (orb: 04 37')

A passionate one. You love it when a crisis emerges and threatens to shatter the normal routine, because you yearn for a chance to undergo really profound changes. You're like the survivalists who wish the world would stop pretending and get down to the nitty-gritty. Fiercely loyal, you would rather see a relationship through hell and high water than abandon it. You delight in emotional confrontation, intense conversations, and secrets of all kinds.

Venus Trine Pluto (orb: 04 45')

You tend to like partners that are authority figures, perhaps older, or dignified, in one way. You are warm, appreciative, and tend to lavish affection on those you can look up to and respect in some way.

Sun Conjunction Venus (orb: 04 59')

You are a great problem-solver, and can always think of a way to do almost anything. Your friends know you to be fair, and your integrity is unquestionable. You may find yourself interested in legal matters, publishing, philosophical and religious subjects, and would make a good teacher or instructor. Scientific investigation would interest you.

Mercury Trine Jupiter (orb: 06 34')

You are attractive and tend to be physically active. You just might participate in or manage

some athletic endeavor. You are in tune with your feelings and really know how to play a crowd for the maximum response. You can always count on support from those around you. You seldom hide how you feel and therefore are no stranger to an occasional argument. You probably got a lot of emotional support as a child, especially from your mother.

Moon Conjunction Mars (orb: 07 13')

You communicate very well, and it is easy for you to give others a feeling for whatever you're thinking. You tend to believe that there is almost no problem that cannot be handled with words, by talking it out. You could be a fine speaker. Your natural sensitivity for the feelings and thoughts of those around you makes you a valued community member. Needless to say, you want a partner who is at home with feelings and -- above all -- likes to talk.

Moon Conjunction Mercury (orb: 09 01')

You manage to cram many lifetimes into one, for it seems like you're always being reborn and starting life over again. Others may have a hard time keeping up with your changes. You do well in face-to-face and gut-level situations that would exhaust most people. You really come into your own when the going gets tough or when it's time to "get down" and face facts. Good leadership potential for emergency situations

Sun Trine Pluto (orb: 09 45')

Report for Joanne Woodward Challenges in your relationships

You have a tendency, or perhaps a knack, for ignoring good advice. More than once you have found yourself at odds with the correct, or prescribed, way of doing things. This could manifest in a problem with authority figures. For example, you may tend to disregard the suggestions of an authority figure, perhaps your father. You have trouble doing just a little, and tend to be extravagant.

Sun Square Jupiter (orb: 00 22')

The last of the big spenders! You are by no means conservative, and overindulgence of all kinds is sort of second nature. You tend to ignore the realities of life in favor of the perks. This may bring you hard up against natural or human law, again and again. No one can accuse you of lacking ambition. The straight and narrow is unappealing to you. You would rather range along the fringe. A nonconformist.

Venus Square Jupiter (orb: 05 21')

You may have a fear of taking the plunge, letting go. Perhaps you are hesitant to trust your vision or your dreams, lest they overpower your day-to-day routine. As for relationships, you tend to worry about being deceived. There is tension present as to just how much you dare trust your more mystical side. Perhaps you have been disappointed by authority figures, more due to your over-idealizing them than to their own faults.

Sun Opposition Neptune (orb: 05 51')

You may choose to pursue a dreamy idealism at the expense of more mundane concerns. Somehow you always manage to pit your ideals against the actual reality of the situation. Is it escapism or vision? Probably some of both. You will need a partner who can bring things into focus without shattering your gentle dream world. There may have been some rather harsh realities connected to your upbringing. You may find yourself putting the feminine principle on a pedestal.

Moon Opposition Neptune (orb: 08 56')

Report for Joanne Woodward Your Relationship with Paul Newman

Ideas just bubble up when the two of you get talking. You may never find better support for all your mental gymnastics than you do in Paul. Here's communication where there is feeling behind all of the words. You will find that you can search deep within yourself when you are together. You have in Paul an appreciative audience for almost anything that you may think or write about. You might travel together.

His Moon in Your Third House

At last, someone you can really talk with. You should have become instant friends from the very start. Paul is the kind of person that is intellectually stimulating. Together you could spend great amounts of time exploring ideas and concepts, taking walks, and even short trips. Talking until dawn is not impossible with him. The platonic thing was there from the start, and there is a sense of the brotherly and sisterly between you. Even if lovers, you will always be first and foremost, good friends.

His Sun in Your Third House

He becomes very articulate when it comes to matters concerning your finances, resources, and possessions in general. You feel that he truly is concerned with what is best and most productive for you. Here is someone you can really talk to about subjects that most might find dull and unexciting. You find his suggestions to the point and almost always productive. You might like to take him on as a business partner just for his financial insight.

His Mercury in Your Second House

He feels that you are special and seeks to encourage you. You both share a sense of value and worth, and he probably appreciates your position in life and possibly your resources. He will want to give anything he can to help you, and this could take the form of gifts, monetary support, etc. He knows the value of money and will always seek to strengthen and multiply any resources you may have. There is a sense of shared values.

His Venus in Your Second House

Paul is a living incentive for you to get out of yourself and do things. Things get very physical, and this runs all the way from good sex to physical activity in general. There is a fresh, almost childlike, quality to your relationship. You feel strength and perhaps are proud of how good you feel about yourself when you are with him. There is the danger of too much of a good thing. The whole thing could get a little self-centered.

His Mars in Your Fifth House

There is no doubt that he is a "luck sack". Through him many opportunities are possible, especially relating to your financial positions and resources in general. Paul is a natural guide for you and can help make the most out of what you have -- multiply it many times over. He appreciates what you have going for you and has good ideas as to ensuring you a secure response from the world. He may come bearing gifts.

His Jupiter in Your Second House

He seems to be very hard on your sense of altruism. Your attempts to be charitable or to

sacrifice may be played down or belittled by him. He won't tolerate your feeling sorry for yourself or for the state of the world. It could be difficult for you to feel philanthropic or kind when the two of you are together.

His Saturn in Your Twelfth House

Paul could be your key to off-beat life styles, alternate ways of living, and new-age homes. Perhaps your home life and day-to-day routine has changed since you first met him. He may encourage you to try different methods of child-rearing, homesteading, or family methods. The traditional life style is just not Paul's way.

His Uranus in Your Fourth House

Here is someone with whom you share a broad and far-reaching vision. Together the two of you are transported by late- night discussions and common dreams. He brings out the eloquent in you, and when you are with him you sense that you are part prophet and visionary. Your religious and philosophical ideas are in fine tune. There is a very heady kind of romance here.

His Neptune in Your Ninth House

This relationship is passionate and intense. You can't ignore Paul, and he knows how to get right to you with a single glance. He won't put up with excuses or habits of yours which are a waste of your time or money. He is not afraid to get right in there and change you himself. He doesn't ask your permission to do the obvious. This may result in a real power struggle for you both. On the other hand, this could be a powerful business relationship.

His Pluto in Your Eighth House

Report for Joanne Woodward Strengths in your relationship with Paul Newman

You find Paul's way of thinking and speaking just to your taste. You have a natural sense of appreciation for his mind and the way he communicates. He has a knack for putting your own ideals and values into words. You probably have fantastic conversations.

Your Venus Sextile His Mercury (orb: 00 25')

Emotions run high with the two of you, but mostly it's very healthy. There is a strong sexual rapport. He finds you very supportive when it comes to his feelings and emotions. This is probably a very active relationship. He tends to push you on to be a real provider.

Your Moon Sextile His Mars (orb: 00 31')

You have a natural appreciation for his problems and are probably very understanding with him. You may love his sense of organization and self-discipline. You may be a trifle undemonstrative when you are around him, a little too sober perhaps.

Your Venus Trine His Saturn (orb: 00 48')

You tend to love his passionate nature. He knows this, and that you appreciate his need for self-analysis and confrontation. Your relationship may be very intense, but always exciting. Things are seldom dull.

Your Venus Trine His Pluto (orb: 00 52')
